QUESTION	ANSWER
<p>Under the <i>Every Student Succeeds Act (ESSA)</i>, which was enacted in December 2015, schools and districts must identify students who are dependents of full-time active duty members of the Armed Forces. The purpose of collecting this information is to evaluate the specific educational needs and the effectiveness of the schools and programs serving these students.</p> <p>For the purposes of this collection, 'Armed Forces' will include:</p> <ul style="list-style-type: none"> • Army • Navy • Air Force • Marine Corps • Coast Guard • National Guard <p>The United States Department of Education and the New Jersey Department of Education recognize the importance of service in the Reserve components of the military services and part-time National Guard. However, the federal statute focuses on full-time and active duty service in the military. For the purposes of <i>ESSA</i> data collection, the United States Department of Education does not require schools and districts to report members of the Reserve components of the military services and part-time National Guard.</p> <p>Please select from the following choices</p>	<p>Not Active Military Connected – Student is not a dependent of a full-time, active duty member of the Armed Forces (Army, Navy, Air Force, Marine Corps, Coast Guard, National Guard) *</p> <p>Active Military Connected – Student is a dependent of a full-time active duty member of the Armed</p> <p>Not Military Connected - Student is not military-connected</p>
