

What is I&RS?

A committee used to provide interventions and referral services for general education students.

Why does a school need I&RS?

New Jersey Administrative Code Title 6 Education subchapter 7 N.J.A.C. 6:16-7 requires each school to have an intervention and or referral services program to assist students who are experiencing academic, social or health difficulties. The Franklin Township School District uses I&RS to deliver these services.

- Teachers have implemented various strategies and techniques to ensure the student's success.
- The I&RS Facilitator notifies parents and teachers of the meetings.

During I&RS

- Teacher describes the concerns/ actions taken prior to I&RS. Teacher shares student data.
- I&RS Team brainstorms intervention strategies and creates an action plan, including SMART goals.
- Parents have input into the action plan.

After I&RS

- The student's action plan is monitored by a case coordinator and revisited in 6-8 weeks by the team.
