

Board President's Report
August 25, 2016

Board President Potosnak recognized Dr. Ravally's first year as Superintendent of our district.

He spoke about Olympian and FHS alumnus, Jeff Porter, and invited the public to attend an information session on the impact of a gas compressor station which is proposed to be built in the Franklin Park area. That meeting, hosted by the Township, is scheduled for Thursday, September 8th at 7:00 PM in the Franklin Park School cafeteria.
