FOR SOCIAL RESPONSIBILITY

Dear Parent/Guardian,

Greater Somerset County YMCA is thrilled to announce it will begin offering on-site Before and After Care for Franklin Township Public Schools' elementary students beginning in the 2020-2021 academic year. While we still do not know what September will bring, we are preparing to operate our programs with all necessary safety precautions in place.

For this school year, we will not be requiring any payments at the time of registration. In order to reserve a spot for your child, you simply will need to complete our registration forms and return via mail or email to Matt Gray (information listed below). After decisions are made regarding in-person schooling, we will adjust our rates accordingly and communicate all updates to registered families. Please see registration process instructions and important dates listed below.

The Y is the leading nonprofit committed to strengthening community by connecting all people to their potential, purpose and each other. At Greater Somerset County YMCA, we believe that everyone—no matter who they are or where they're from—deserves the opportunity and the resources necessary to reach their full potential. The Y's Financial Assistance program is available to anyone who meets the financial guidelines of the program, lives or works in our service area and has the desire to participate in YMCA programs or services.
