

Welcome to Franklin Middle School @ Hamilton Street Campus!

My name is Louis Solomon, and I am the new Vice-Principal here at Hamilton Street Campus. I am in my 4th year as an administrator, and I'm very excited to welcome our middle school students back to the HSC campus. I am looking forward to welcoming the incoming 6th graders to their first year in middle school and working with all to ensure a positive learning experience.

Before my arrival here at HSC, I was a Vice-Principal at Franklin High School. Prior to becoming a school administrator, I served as a Dean of Students, Special Education teacher, and Head Football coach at FHS. My service of 15 years in Franklin Township Public schools has prepared me to be the best Warrior that I can be for our wonderful community. As a graduate of the Franklin Township Public School System, I believe in the educational philosophy that this district holds and am excited to be part of the administration that will implement the district's beliefs.

I look forward to developing and growing as a middle school administrator and building relationships with our middle school community to help advance our students' growth personally and educationally. It is essential to ensure all students are afforded a safe and conducive learning environment, and actively participate in challenging and engaging experiences that will help shape them into productive and responsible citizens. Let's work together to make this year a great one!

“Knowledge is power. Information is liberating. Education is the premise of progress, in every society, in every family.” - Kofi Annan

Mr. Louis Solomon  
Vice Principal
