Three (3) additional days are built into the schedule to allow for emergency school closures. If more than three (3) days are used for inclement weather or other emergencies, the following days will become regular instructional days for grades PreK - 12, in this order and to the extent possible: 2/15, 4/5, 4/1, 3/31 and 5/13. If the total number of days used for emergencies exceeds the three (3) built-in days and the number of available "take-away" days listed above, the Board of Education will revise the school calendar to ensure that students receive 180 days of instruction prior to June 30. If, for any reason, a parent/teacher conference day must be postponed that conference day will be held on the next scheduled full day of school. For example, should the Monday, November 30, 2020 parent/teacher conference day schedule be postponed, it will be rescheduled to Tuesday, December 8, 2020, which will also become a minimum session day. If less than three (3) days are used for inclement weather, the following days will become a school closure day for students and 10-month instructional staff members in the following order: 6/23, 5/28 and 6/1. The public and teachers will be notified of changes to the last school day prior to the end of the last marking period. In the event that the State Legislature and Governor mandate state holidays that are not listed on the calendar, these days will be celebrated and made up. If, on any regularly scheduled early dismissal day, it becomes necessary for the district to have a delayed opening, the early dismissal will be cancelled and departure time from the schools will be as on a normal school day schedule.
