District Student Code of Conduct Acknowledgement

This 2020-2021 District [Student Code of Conduct and the newly added Addendum](#) (the addendum is scheduled for adoption by the Board of Education on August 27, 2020) lists the District's expectations and rules for the students attending the Franklin Township Public Schools. The rules apply to all activities occurring on school grounds, on other sites being used for school activities including those school activities which occur remotely, and on any vehicles authorized to transport students. The addendum to the District Student Code of Conduct has been added to address the additional behavioral expectations for all district students associated with the reopening of schools in the midst of the Covid 19 crisis.

Your acknowledgement/electronic signature in the Genesis ParentPortal Access Account does not indicate that you agree or disagree with the rules, but rather, that you have received a copy of these rules.

You may download a copy of this form and the Code of Conduct and/or print them for your records. A paper copy of the Code of Conduct and this form may also be made available by contacting the main office of the school where your child attends.
