*Day 1 = Day After Exposure

**If the district has lifted the mask mandate, generally students who are close contacts and in grades 6-12 must quarantine for 10 days. However, students who are close contacts in grades 6-12 may return on day 8 with proof of a negative PCR test taken between days 5 and 7. Additionally, students who are close contacts and in grades 6-12 may be able to participate in school sponsored activities outside of school hours on day 6-10 of the quarantine period provided they are fully vaccinated and up to date with their vaccines and wear a mask throughout the activity. Permission for this exception must be sought from the building principal.
