Health Education Program – Grades K - 8

September 2010

Dear Parent/Guardian:

The Franklin Township School District provides instruction in Health Education in grades K through 12. Within this framework, Family Life Education is taught. We are required by the State Department of Education to provide parents/guardians with outlines of Family Life Education. A copy of the Health Education Course outline which includes Family Life instruction can now be found on the Franklin Township Public Schools website. If you do not have access to the internet, cannot download the documents, or have difficulty viewing the curriculum, please contact the FHS Athletic Office at 732-302-4200 ext. 6402 and a copy will be mailed out to you. If you have questions or wish to discuss the curriculum, please contact Ms. Kimberly Kenny, Assistant District Director of Health, Physical Education and Athletics, in the Athletic Office in Franklin High School at ext. 6403.

Completion of this form indicates your desire for your child to be excluded from Family Life Education. Please be specific as to the exact material of the Family Life curriculum that you would like your child excluded from. Once completed, return it to your child's teacher (grades K- 6) or Health Instructor (grades 7 & 8).

SCHOOL: _____ **GRADE:** _____

STUDENT: _____ **PARENT:** _____

ADDRESS: _____

TELEPHONE: _____ **WORK PHONE:** _____

Please list material in curriculum that you would like your child excluded from:

RETURN ONLY IF YOU WISH YOUR CHILD TO BE EXCLUDED
