

FMS PTSO Mission Statement

The Franklin Middle School Parent Teacher Student Organization is a volunteer based organization consisting of concerned parents, teachers and students whose key mission is to promote an environment at FMS where teachers and administrators can do their best work, and our children can do their best learning. The Executive Board officers will function as a collective unit and will liaise with the FMS administration to support the educational programs and extracurricular activities of our school. We are aware of the body of research demonstrating the positive correlation between parent involvement with student academic achievement and fewer discipline problems; hence, we will strive to encourage parent involvement in their individual children's lives, education, class and school. As a parent group, we will strive to provide a wide range of educational enrichment programs to our students, and organize academic workshops for parents with the objective of assisting them confront the difficult issues of today's emerging adolescence. Although fundraising will be deemphasized, we will rely on our membership for sustained participation at various PTSO sponsored events, and the occasional financial support needed to sponsor these events. Active, consistent parent participation and involvement will benefit our FMS community.

Unless otherwise stated, PTSO Meetings are held on the second Monday of every month at 7:00 PM in the FMS Library.

Please check the web site calendar for exact dates.
