<p>Schema + prior knowledge – I know something about this....</p> <p>Text Features – I used features in the text that helped me understand or predict what I was reading (pictures, captions, subtitles, introduction, charts...)</p> <p>Predict – I predicted what was going to happen next and I read on to see if my prediction was right.</p> <p>Question – I asked questions to the author, to the characters, or to myself. For ex., “I wonder why...? I wonder where...? I wonder what...? I wonder how...? I wonder when...? I wonder who...?”</p> <p>Make Connections – I connected the text to events in another story I read. – or – I connected the text to something happening in the world. – or – I connected the text to something in my life that happened or is similar.</p> <p>Visualize – I created a picture in my mind to see the events happening, like watching a movie.</p> <p>Infer – I used clues that were happening in the story and what I already know about that subject to figure out what was going on in the story.</p>		<p>Schema – prior knowledge – I know something about this....</p> <p>Text Features – I used features in the text that helped me understand or predict what I was reading (pictures, captions, subtitles, introduction, charts...)</p> <p>Predict – I predicted what was going to happen next and I read on to see if my prediction was right.</p> <p>Question – I asked questions to the author, to the characters, or to myself.
