Dear Parents/Guardians/Students,

We would like to welcome you to Franklin Middle School at the Hamilton Street Campus. The Administration and Counseling Team has been working throughout the summer creating student schedules. You will have access to student schedules via the Genesis Parent Portal. If you do not have access to the Genesis Parent Portal, please email Ms. Kim Stephenson at kstephenson@franklinboe.org. Please reach out to your respective school counselor should you need additional support. Ms. Noreen Leib, Counseling Secretary can also be reached at nleib@franklinboe.org. **Please ensure that students check their respective school email accounts regularly starting today... Teachers will be sending invites from each of their classes with the respective Google codes for students to log into their Google classrooms. The students must accept these invitations to have access to Google classrooms.**

We are here to assist you during these unprecedented times. The FMS @ HSC School Counseling Department will continue to support our student's academic, social, emotional, and vocational needs as we would during the traditional school year. **Please do not hesitate to reach out to us should you need assistance.** Our emails are noted below as we are working remotely and can be reached by email. School Counselor assignments for the 2020-2021 school year are as follows. Assignments are by last names:
