## Student Conduct and Privileges

All students are expected to conduct themselves in a manner consistent with the values and principles outlined in our school's code of conduct. This includes but is not limited to respectful behavior, adherence to school rules, and prompt attendance to classes.

1. The slate is clean for all 8th-grade students as of March 6th, 2024.
2. Students are expected to be on-time to each class and to abide by the school's code of conduct. This includes refraining from behaviors that violate the code and disrupt the learning environment. Violations may include excessive tardiness to class, infractions against the code of conduct, and, especially, involvement in fighting.
3. Students who violate the code of conduct will lose privileges, including but not limited to participation in the 8th-grade trip, 8th-grade dance, and end-of-year barbecue.

# WARNING

Multiple behavior referrals  
may make you ineligible to  
participate.

**IT DOESN'T  
MATTER WHAT  
YOU'VE DONE,  
WHAT MATTERS  
IS WHAT YOU  
CHOOSE TO DO  
FROM HERE.**
