I am pleased to inform you that the **“BACKPACK IS BACK!”**

Each year I coordinate a Backpack and School Supply Drive. Regretfully due to Covid19 in 2020, I was unable to sponsor the event but we are back on track this year.

I ask you to join me in reaching our goal. Your partnership can make a difference.

The success of this endeavor depends in large part on the support of the community including businesses, residents, social organizations, and education organizations. I have listed suggested donations, deadline drop off and drop off locations.

The Backpack initiative will provide students to return to school with everything they need to succeed! Schools that have a high number of free/reduced meal plans will receive backpacks.

Public service is the cornerstone of our community that fosters unity and progress in the 17th Legislative District. Your donations are invaluable to the children.

My staff and volunteers will be collecting Backpacks and/or supplies through September 3.

If you have any questions please do not hesitate to call my office (732) 247-3999. Thank you.

Always at your service,

Joe Danielsen
