

Board President's Report

March 26, 2015

Mr. Potosnak announced that the Jekyll and Hyde musical at Franklin High School will continue to be shown on March 27th, 28th and 29th. He congratulated the actors, staff, pit, crew and parents on an outstanding production.

President Potosnak announced the Board of Education member vacancy and encouraged members of the public to apply because it is very rewarding and important work and a high-quality education is critical to our families and businesses. The deadline to apply is April 1st and a letter of intent should be e-mailed to Mrs. Biesiada at abiesiada@franklinboe.org.

President Potosnak requested permission from the board to act as an official committee member on the Negotiations Committee, not as an Ex-Officio member.
