The FHS PTSO functions as a vehicle of active communication between FHS families and school/district administrators. Its advocacy is predicated on establishing:

- A strong collaboration with school administrators, guidance counselors and teachers to achieve the objective of providing academic excellence at FHS for all students
- A parent-centric environment where parents can learn to be more engaged in fulfilling and augmenting the academic needs and aspirations of their children
- A culture of respect and appreciation by honoring and acknowledging FHS teachers and staff throughout the school year and recognizing them during 'Teacher Appreciation Week'
- A responsive and caring FHS community via its 'Safe Halloween' sponsorship, and the end-of-year gift to the school on behalf of the graduating class
- A support base for Project Graduation
