

Concession Stand

Volunteers Needed!!

Project Graduation operates a daily concession stand in the Events Lobby offering snacks, baked goods, and beverages (water, Gatorade) to students staying after school for Sports, Clubs or Teacher Office Hours.

This concession stand is the PRIMARY funding for Project Graduation, a \$20,000+ event, but has been closed many times for lack of Volunteers!

An adult Volunteer is needed for 2 hrs per day, from 3-4pm (dismissal – Late buses) or we cannot open the stand. . This is an examples of how this has worked in the past is we have had different volunteers for each day of the week, or those that volunteered one day a week for the year. Any assistance would be greatly appreciated. Please consider volunteering for one day a week, or whatever your schedule allows so we can continue to provide this service and fund Project Graduation!

Interested Volunteers please contact:

Nick DiMeglio (732) 873-2833 or email me at Nicolas.com@att.net

He will direct your inquiry to the parent running the stand this year
