

Facilities and Transportation Committee

It shall be the function of this committee to investigate both current and projected physical needs in relation to the growth of an educational system suitable for the needs of the community. The committee shall recommend to the Board long-range goals for future school needs and shall consider alternative plans for the continuous maintenance, care and operation of all facilities including capital equipment. The committee shall be concerned with effective coordination of the district's plans with those other local, State and Federal agencies for growth and utilization of facilities, and with keeping abreast of new trends that may be beneficial to the community. It shall also be the function of this committee to propose policies to promote safe, economical and reasonably expeditious transportation of students as required by law and/or permitted by Board policies and regulations; and make recommendations to the Board on the approval or denial of parent appeals on bus transportation assignments.
