0131 BYLAWS AND POLICIES

Formulation, Adoption, Amendment of Bylaws

The Board of Education's bylaws are rules designed to organize and control its internal operations. Some bylaws are set by statute. Others may be formulated and adopted at its option by the Board of Education itself, as long as they are in harmony with the intent and specifics of the statutes.

In its deliberations leading to the establishment or amendment of its bylaws, the Board's concern will be for increased efficiency and effectiveness in carrying out its legally mandated tasks. The Superintendent shall develop procedures to implement this bylaw and to ensure that bylaws of the Board are reviewed at least annually and updated by resolution of the Board as necessary to reflect current statutory and regulatory authority.

Proposed new bylaws and suggested amendments to or revisions of existing bylaws shall be adopted by a majority vote of the members of the Board present and voting during the second of two regularly or specially scheduled meetings of the Board. The proposed additions, amendments or revisions shall have been described in writing in the calls for these meetings.

Formulation, Adoption, Amendment of Policies

The governance of the district through policies directed toward providing a thorough and efficient education for its students is one of the most important functions of the Board of Education. Therefore, the Board shall establish a careful process to ensure:

1. Development of clear, workable, legal policies that reflect mature consideration of the will and needs of the community, and timely, accurate evaluation of the effectiveness of the policies in the achievement of district objectives and progress toward goals.
2. In order to ensure that the total policy process is implemented effectively, the Board appoints the Superintendent as the policy coordinator. In cooperation with the Board, he/she shall develop procedures to implement this bylaw and to ensure that Board policies are reviewed at least annually and updated by resolution of the Board as necessary to reflect current statutory and regulatory authority.
3. The procedures shall conform in all respects to the bylaws of the Board concerning agenda and meetings. The procedures shall provide a means whereby all interested parties in the school community may submit proposals for additions and amendments to the school district Governance Manual, and may contribute opinions and information for the Board's consideration.

4. The Superintendent shall ascertain any conflicts between proposed and existing policies and bring them to the attention of the Board at the first reading of the draft. Policies may be adopted on second reading by a majority vote of the members of the Board present and voting or may be further revised until consensus is reached. (Note: first reading means the, first time the policy is presented, not the first time a policy is approved in its final form.)
5. In the interest of efficient administration, the Superintendent shall have the power to act on all matters of detail that may arise for which no specific provision is made in the policies adopted by the Board, but no emergency action shall constitute official Board policy. The Superintendent shall present the matter at the next Board meeting so the Board can consider policy to deal with that situation in the future.

The Board reserves to itself the right to final determination of what shall be the official policy of the school district.

#### Suspension of Policies, Bylaws and Regulations

The Board of Education has developed a careful and deliberate process for formulating and adopting its policies and bylaws. Requests for suspension of any existing policy or bylaw should receive the same careful consideration.

Therefore:

1. Any request for a waiver of policy or bylaw shall be considered in light of the policy or bylaw itself, rather than any particular circumstances of the moment.
2. The Board shall decide whether the policy or bylaw still reflects the considered intent of the Board. If it does, the suspension will be denied and the policy or bylaw reaffirmed in the minutes.
3. If the policy or bylaw does not reflect the intent of the Board, then the policy shall be waived by a majority vote of the members of the Board present and voting and development of a revised policy or bylaw shall become the Board's prime policy priority.
4. The Board shall consider whether rights of the public would be adversely affected by the proposed suspension or waiver of policy. If the public's rights would be adversely affected, the suspension or waiver will be denied.

5. The waiver, suspension or repeal of a policy or bylaw shall be recorded in the minutes of the Board. Any policy, or part thereof, that is superseded by a term in a negotiated agreement or by a subsequently adopted policy shall no longer be in force and effect as policy of the district.
6. In the event of an emergency requiring immediate action, the Superintendent shall have the power to waive policy or regulation in the single instance. In such cases, the Superintendent shall report the instance to the Board President immediately and request reconsideration of the policy at the next regular meeting.

#### Development, Distribution and Maintenance of Governance Manual

Policies of the Board of Education are evolving statements of the standards, expectations, philosophies and direction of the Board for district educational, operational and managerial operations. New policies will be necessary and existing policies will frequently require revision, expansion or modification based on legislative changes, organizational changes and the needs and expectations of the community. Governance Manual maintenance shall be the responsibility of the Superintendent in cooperation with the Assistant Superintendent for Business/Board Secretary and the Policy Committee.

The district manual shall be made available to: Board of Education members; district staff; parents/guardians; students and the general public via the district website.

A master copy of the Manual of Policies and Bylaws shall be maintained by Superintendent's designee and revised following action by the Board of Education.

The Superintendent's designee shall develop procedures for updating the master copy of the manual of Policies and Regulations and updating the manual online with copies of new or amended policies as they are adopted.

The Manual of Policies and Bylaws is a public record and shall be open for inspection in accordance with the Open Public Records Act. The manual shall be considered the master copy of the Manual of Policies and Bylaws.

It shall be the responsibility of the Superintendent or designee to ensure that Board policies affecting students, parents, and staff are disseminated to them on a regular basis.

The Board may hold hearings that will offer the parties to a dispute, on notice duly given, a fair and impartial forum for the resolution of the matter.

Beyond the basic requirements of due process a hearing will vary in form and content as dictated by the severity of the consequences that may flow from the Board's determination, the degree of difficulty of establishing findings of fact from conflicting evidence, and the impact of the Board's decision on the school district.

Regulations for the conduct of adjudicatory hearings of the Board shall be prepared as guidelines for those who may be heard by the Board.

A decision of the Board may be appealed to the Commissioner of Education.

N.J.S.A. 18A:11-1

Adopted:

The assessments will be tabulated by the Board President or designee and presented for discussion at a regular meeting of the Board in which the Superintendent will be invited to participate. The Board will formulate, as appropriate, goals and priorities that will serve to guide the Board's future conduct.

A school district administrator or Board member who has a relative who is a member of the bargaining unit shall be prohibited from discussing or voting on the proposed collective bargaining agreement with that unit or from participating in any way in negotiations, including, but not limited to, being a member of the negotiating team; nor should that school district administrator be present with the Board in closed session when negotiation strategies are being discussed; provided however, that the administrator may serve as a technical resource to the negotiating team and may provide technical information necessary to the collective bargaining process when no one else in the district can provide such information.

A school district administrator or Board member who has an immediate family member who is a member of the same Statewide union in another school district shall be prohibited from participating in any way in negotiations, including but not limited to, being a member of the negotiating team or being present with the Board of Education in closed sessions when negotiation strategies are being discussed, prior to the Board of Education attaining a Tentative Memorandum of Agreement with the bargaining unit that includes a salary guide and total compensation package. Once the Tentative Memorandum of Agreement is established, a school district administrator with an immediate family member who is a member of the same State-wide union in another school district may fully participate in the process, absent other conflicts. Notwithstanding these provisions, a district administrator who has an immediate family member who is a member of the same Statewide union in another district may serve as a technical resource to the negotiating team and may provide technical information necessary to the collective bargaining process when no one else in the district can provide the information.

Committee meetings may be called by the committee chairperson or when a meeting is requested by two members of the committee.

Committee meetings shall not be open to the public.

With advance notice to the Superintendent and/or designee and the committee chair, one or more committee members may attend a committee meeting via an alternate electronic communication method (i.e. teleconference or videoconference). Participation in this manner will constitute the presence of committee members at the committee meeting provided that the alternate electronic communication method allows all persons participating to hear each other at the same time to ensure that the deliberative character of the meeting is maintained.

When circumstances are such as to prevent the attendance of a majority or all of Board members or to frustrate the purpose of the meeting, a meeting may be canceled by the Board Secretary at the request of the President. Notice of the cancellation shall be given, by expedient means, to all Board members, to the Superintendent, and, whenever possible, to the newspapers in which notice of Board meetings is regularly given. If possible, written notice of the cancellation shall also be posted at the place where the canceled meeting was scheduled to occur. N.J.A.C. 6A:32-3.1

Adopted:

0162 NOTICE OF BOARD MEETINGS

The Board of Education shall meet in public session at least once every two months. Regular meetings of the Board of Education shall be held on dates and at times and places determined by the Board at its annual organization meeting. Special meetings shall be called by the Assistant Superintendent for Business/Board Secretary at the request of the President or upon a petition signed by a majority of the Board members, and shall commence no later than 8:00 p.m.

Adequate Notice

Adequate notice shall be given for all regular and special meetings. Adequate notice for regular meetings shall be in accordance with the annual notice provisions set forth below. Adequate notice for special meetings generally means written advance notice of at least forty-eight hours, giving the time, date and location, and, to the extent known, the agenda of the meeting. The notice must state whether formal action may or may not be taken at the meeting. The notice must be:

1. Prominently posted in at least one public place reserved for such announcements;
2. Communicated to at least two newspapers designated by the Board because they have the greatest likelihood of informing the Board's public; and
3. Filed with the clerk of the municipality.

The Board of Education may hold an emergency meeting without providing adequate public notice if:

1. Three-quarters of the members present vote to do so; and
2. The meeting is required to deal with matters of such urgency and importance that delay would be likely to result in substantial harm to the public interest; and
3. The meeting will be limited to discussion of and action on these matters; and
4. Adequate notice of such meeting is provided as soon as possible following the calling of such meeting; and
5. One of the following:

- a. Either the Board could not reasonably have foreseen the need for such meeting at a time when adequate notice could have been provided; or
- b. The need could have been foreseen in time but the Board failed to give adequate notice.

#### Announcement of Adequate Notice/Statement of Compliance

At the beginning of every meeting, the presiding officer must announce that adequate notice of the meeting was provided and must specify the time, place and manner in which the notice was provided. However, if adequate notice was not provided, the presiding officer must say so, and in addition, must state:

1. The nature of the matter of urgency or importance for which the meeting without adequate notice was called; and
2. The nature of the substantial harm to the public interest likely to result from a delay in holding the meeting; and
3. That the meeting will be limited to discussion of and action on such matters of urgency and importance; and
4. The time, place, and manner in which some notice of the meeting was provided; and
5. Either of the following:
  - a. That the need for such meeting could not reasonably have been foreseen at a time when adequate notice could have been provided, and why this was so; or
  - b. That such need could reasonably have been foreseen in time for adequate notice, but nevertheless such notice was not provided, and the reasons why.

#### Annual Notice

Annual notice of the year's regular meeting schedule must be posted publicly and sent to at least two newspapers and the municipal clerk within seven days following the annual organization meeting. This notice should contain the location of each meeting to the extent it is known as well as the time and date. If the schedule is revised at all, notice must be given within seven days of the revision.

The annual schedule serves as sufficient notice of any regularly scheduled meeting as long as it contains the proper date and location. If most meetings are on a regularly scheduled basis, whether they are formal sessions or study sessions, the notice requirement can be largely met through the once-a-year schedule.

Both the annual schedule of meetings, any revisions to that schedule, and notices of any additional meetings must be sent to any person upon request and upon prepayment of a sum set by the Board. Requests to be on the mailing list for notices can be made on an annual basis and are renewable each reorganization meeting.

#### Adjournment

The Board may at any time recess or adjourn to an adjourned meeting at a specified date and place. The adjourned meeting shall take up its business at the point in the agenda where the motion to adjourn was acted upon.

#### Cancellation

When circumstances are such as to prevent the attendance of a quorum of Board members or to frustrate the purpose of the meeting, a meeting may be cancelled by the Assistant Superintendent for Business/Board Secretary at the request of the President. Notice of the cancellation shall be given, by expedient means to all Board members, the Superintendent, and whenever possible, to the Board's official newspapers. If possible, written notice of the cancellation shall include the date, time, and place of the next scheduled meeting. Notice of the cancellation shall be read at the next following Board meeting and shall be duly recorded in the official book of meeting minutes.

0163 QUORUM

A quorum shall consist of five Board members, and no business shall be conducted in the absence of a quorum, except when the Doctrine of Necessity is invoked.

In the event a quorum is not present at the hour of convening, the meeting may be recessed to a time not later than 9:00 p.m. of the same day. If a quorum is not then present, the members present may adjourn the meeting to a later date within seven days.

The Board of Education recognizes that there may be matters that come before the Board or acts required of Board members in their official capacity where the Board member may have a conflict of interest or the act would be in violation of N.J.S.A. 18A:12-24. In these matters, the Board member(s) will remove himself/herself from any discussions, meetings (informal or formal), committee meetings, and/or a vote regarding the matter. The Board will consider this matter without the Board member(s) who has the conflict.

In the event a matter comes before the Board or an act is required of a Board member in his/her official capacity that is a conflict or would be in violation of N.J.S.A. 18A:12-24, the Board would still be required to have a quorum to consider the matter. However, the New Jersey Department of Education and the School Ethics Commission has envisioned this prohibition could create a situation in which so many Board members have a conflict, that the Board would be unable to take action on a matter. Therefore, when more than a quorum of the Board members must abstain from voting on a matter, the Board will invoke the Doctrine of Necessity consistent with the New Jersey Department of Education and School Ethics Commission guidelines as follows:

A. Board Member(s) in Conflict - Less Than a Majority of The Board

1. In the event a Board member(s) has a conflict of interest where the Board member will act in his/her official capacity, the Board member must remove himself/herself from any discussions, meetings (informal or formal), committee meetings, and/or a vote regarding the matter.
2. In the event a Board member is unsure whether he/she or any other Board member has a conflict of interest or whether the matter, if acted upon by a Board member(s) is in violation of N.J.S.A. 18A:12-24 - Prohibited Acts, the School Board Attorney will make a determination.
3. The School Board Attorney will provide the Board of Education an opinion on whether the matter is a conflict of interest or act prohibited by N.J.S.A. 18A:12-24 - Prohibited Acts.

4. If the Board member(s) believes he/she has a conflict of interest where he/she will act in his/her official capacity or if the School Board Attorney renders an opinion that the Board member has a conflict of interest where the Board member will act in his/her official capacity, the Board member will remove himself/herself from any discussions, meetings (informal or formal), committee meetings, and/or a vote regarding the matter.
- B. A Majority of Board Members in Conflict
1. In the event:
    - a. A Board member(s) believes he/she has a conflict of interest where he/she will act in his/her official capacity; or
    - b. If the School Board Attorney renders an opinion that the Board member(s) has a conflict of interest where the Board member will act in his/her official capacity; and
    - c. The number of Board members that have a conflict would make it so the Board would be unable to take action on the matter, then the Board may invoke the “Rule [or Doctrine] of Necessity.” (Citing *U.S. v. Will*, 449 *U.S.* 200 (1980)).
- C. Rule [Or Doctrine] Of Necessity
1. The Doctrine of Necessity may be invoked when more than a quorum of the Board must abstain from voting on a matter.
  2. There are three prerequisites necessary for a Board to invoke the Doctrine of Necessity:
    - a. The Board must be unable to act without the members in conflict taking part;
    - b. There must be a pressing need for action, i.e. the matter cannot be laid aside until another date; and
    - c. There can be no alternative forum that can grant the same relief. (*Allen v. Toms River Regional Board of Education*, 233 *N.J. Super* 651 (Law Division 1989).
  3. When the School Board Attorney advises the Board the Doctrine of Necessity must be invoked in order to obtain a quorum on a vote, the Board must announce that it is invoking the Doctrine.

- a. The announcement must include the reason the Board must invoke the Doctrine of Necessity including stating the nature of each Board members conflict.
  - b. The announcement will be in writing and should be recorded in the minutes of the meeting by the Board Secretary at the point when the vote takes place.
  - c. It is enough for the Board to announce it is invoking the Doctrine and a Board Resolution is not required.
4. When the Board announces the Doctrine of Necessity is being invoked, the details, parameters and/or other pertinent facts of the matter to be voted should be revealed on an agenda for the public meeting in which the matter is to be voted upon.
5. The Board members who have a conflict in the matter are prohibited from:
  - a. Participating in any discussions on the matter prior to the announcement and public meeting; and
  - b. From entering an executive session in order to discuss the merits of the matter or contract; and
  - c. From offering their opinions on the matter at any time prior to the announcement and public meeting.
6. The Board members who have a conflict in the matter may only participate to the extent they may vote after the motion to approve and/or ratify the matter has been made and seconded and the Doctrine of Necessity has been thoroughly explained to the public.
7. Board members in conflict may only ask questions regarding the matter to be voted on in public and after the Board has invoked the Doctrine of Necessity.
8. Board members in conflict may explain their reasons for not voting just before the vote.

0166 PUBLIC AND EXECUTIVE SESSIONS

The Board of Education shall officially transact all business at legal meetings of the Board in accordance with New Jersey law.

Work Session Meetings/Action Meetings

Both Work Session Meetings and Action Meetings are regular public meetings and are listed on the annual regular meeting schedule adopted at the annual organization meeting or as amended in subsequent public meetings. The Board may hold two meetings each month according to this published schedule.

At the Work Session Meeting, the Board will have the opportunity to discuss and examine, in detail, new business and agenda items deemed for the Board's Action Meeting. Action items may be considered and action taken by the Board at these Work Session Meetings if a delay in Board action would substantially affect the matter.

At the Action Meeting the Board of Education shall conduct its regular district business, including but by not limited to, taking action on the items discussed at the Work Session.

Both Action Meetings and Work Session Meetings will be convened at 7:30 p.m. unless public notice of a different time is provided.

Special Board Meetings

In addition to the scheduled regular public meetings, the Board may call meetings outside of its regular schedule for specific items. These meetings shall be known as Special Board Meetings and will be convened after adequate public notice has been given. These meetings are called to deal with matters between regular public meetings, either for emergency action or to enable the Board to discuss and/or take action on a single problem/issue or set of problems/issues. These meetings will ordinarily be open to the public but may also include periods where confidential matters will be discussed and will require closing that portion of the meeting to the public. Special Board meetings may be called, by the Board President, or by the Board Secretary, or by the Board as a whole during a Board meeting upon written request of three Board members. When possible, they should be announced in advance at a regular public meeting. The rules for calling the meeting to order and postponement for lack of quorum shall be the same as for a regular public meeting. When Special Board Meetings are called in the interim between regular public meetings, all Board members and the public shall receive advance notice of the time, place, and purpose of such meetings at least forty-eight hours in advance of such meetings, except in extreme emergencies.

### Public Attendance and Participation

Meetings of the Board are open to the public, except as noted below, and all members of the community are welcome to attend. Time(s) for public comment are included in the order of business for every meeting.

In the interest of giving all persons an opportunity to be heard, the presiding officer of the Board may set reasonable time and recognition limits for each individual addressing the Board. In the interest of maintaining public order, the Board may from time to time make and enforce rules for the conduct of its meetings. The Board does not waive its ability to enforce such rules by permitting their relaxation in the normal conduct of its business. Guidelines for public participation are detailed in Board Bylaw 0167.

In order that the Board members may become fully informed regarding matters requiring a Board determination, grievances or complaints brought up at a meeting that have not previously been considered through administrative channels will be governed by Board Policy.

### Executive Sessions

All meetings of the Board of Education shall be open to the public with the exception of meetings or portions of meetings to discuss matters which are permitted by law to be discussed in a confidential executive session. A summary of the law listing such matters is as follows:

1. Any matter which by express provision of State or Federal law or rule of court shall be rendered confidential;
2. Any matter in which the release of information would impair a right to receive Federal funds;
3. Any material the disclosure of which constitutes an unwarranted invasion of individual privacy, unless the individual (or all of the individuals) concerned shall request in writing that the same be disclosed publicly. This includes information contained in student records, and any reports or recommendations concerning a specific individual;
4. Any collective bargaining agreement, including the actual negotiating sessions with representatives of employee groups;
5. Any matter involving the purchase, lease or acquisition of real property (land or buildings) with public funds, where it could adversely affect the public interest if discussion of such matters were disclosed;

6. The tactics and techniques used in protecting the safety and property of the public, provided that their disclosure could impair such protection;
7. Any investigations of violations or possible violations of law;
8. Any pending or anticipated litigation or contract negotiations other than collective bargaining, and any matters falling within the attorney-client privilege, to the extent that confidentiality is required in order for attorney to exercise his/her ethical duties as a lawyer;
9. Any matter involving employment, appointment, termination, terms and conditions of employment, evaluation, promotion or disciplining of any prospective or current employee or officer unless all individual employees whose rights could be adversely affected request in writing that matter be discussed at a public meeting;
10. Any deliberations occurring after a public hearing that may result in the imposition of a specified civil penalty or loss of license to an individual.

Such executive sessions shall be closed to the public and press, and shall be declared so by a formal motion at a public meeting. Minutes taken at such meetings shall remain confidential only so long as their publication would defeat the purpose of the executive session. That such a meeting will be or was held shall be recorded in the minutes of the preceding or subsequent regular meeting.

Board members and other persons attending the session are honor-bound not to discuss the topic or details of discussion at executive sessions, and attend such meetings on condition that such confidence will be maintained.

Official action may be taken at executive sessions and remain confidential, to the extent that disclosure of the fact or content of such action would defeat or compromise the legitimate confidential purpose of the executive session. To take final action on any other matter discussed in executive session, the Board shall convene or reconvene in open public session.

Executive Sessions can be convened as needed, prior to, during or after, a regular public meeting.

0167 PUBLIC PARTICIPATION IN BOARD MEETINGS

The Board of Education recognizes the value of public comment on educational issues and the importance of allowing members of the public to express themselves on school matters of community interest.

In order to permit the fair and orderly expression of such comment, the Board shall set aside a portion of every Board meeting, the length of the portion to be determined by the Board, for public comment. Public comment shall be scheduled as indicated by the agenda of the meeting. There will be two opportunities (sessions) for public comment. The first session will be limited to agenda items. The second session may concern any topic that a member of the public feels may be of concern to the residents of the school district.

Public participation shall be governed by the following rules:

1. A participant must be recognized by the presiding officer and must preface comments by an announcement of his/her name, municipality of residence, and group affiliation, if applicable. The selection of a group spokesperson is encouraged;
2. Each statement made by a participant shall be limited to five minutes' duration;
3. Upon motion, the Board may vote to decrease the five minute time allotted to individuals if there is deemed a large number of individuals who wish to address the Board;
4. No participant may speak more than once on the same topic until all others who wish to speak on that topic have been heard and time permits;
5. All statements, questions, or inquiries shall be directed to the presiding officer and any questions or inquiries directed by a participant to another Board member shall be redirected to the presiding officer who shall determine if such statement, question, or inquiry shall be addressed by the presiding officer on behalf of the Board or by the individual Board member;
6. The presiding officer may:
  - a. Interrupt, warn, and/or terminate a participant's statement, question, or inquiry when it is too lengthy;

Exhibit A-03

0168 RECORDING BOARD MEETINGS

The Board of Education directs the creation and maintenance of an official record of the formal proceedings of the Board and will permit the unofficial recording of Board meetings in accordance with this Bylaw.

Minutes

The Board shall keep reasonably comprehensible minutes of all its meetings showing the time and place, the members present, the subject considered, the actions taken, the vote of each member, information sufficient to explain the actions taken, and any other information required to be shown in the minutes by law.

Minutes of public meetings shall be public records signed by the Board Secretary and filed in the Board Secretary's office in a minute book as the permanent record of the acts of this Board.

Minutes of executive meetings shall be filed in the Board Secretary's office in a place separate from the minute book until the time, if any, when the proceedings may be made public. At that time, the minutes shall be public records and shall be filed in the regular minute book.

The Board Secretary shall provide each Board member with a copy of the minutes prior to Board approval.

Recording by the Public

A member of the public may record the proceedings of a public meeting of the Board provided the audio or video recording process complies with reasonable guidelines as outlined in this Bylaw. These guidelines are adopted to ensure the recording of the public meeting does not interrupt the proceedings, inhibit the conduct of the meeting, or distract Board members or other observers present at the meeting.

The Board will permit the use of audio or video recording devices by members of the public to record public meetings.

Prior notice to audio or video record a public meeting is not required provided the person operates the recording device while sitting in the area designated by the Board for public seating. The recording of a meeting from this area shall not obstruct or distract any member of the public from observing and listening to the proceedings of the meeting. If the recording is obstructing the view or is distracting to members of the public, the presiding officer or designee will require the person recording the meeting to relocate to another area of the meeting room.

In the event a member of the public wants or needs to audio or video record a public meeting from an area other than the area designated for public seating, the person shall provide notice of such request to the Board Secretary in advance of the meeting. The Board Secretary or designee shall review the recording guidelines outlined in this Bylaw with the person requesting to record the meeting.

Any member of the public wanting to use a recording device from an area other than the area designated for public seating must be located and operated from inconspicuous locations in the meeting room as determined by the presiding officer or designee. Prior to the meeting, the presiding officer or designee will determine the location of each recording device so each video recording device can record the meeting with an unobstructed view and each audio recording device can record a meeting so the speakers and meeting proceedings can be properly recorded. The location of any recording device operated from an area other than the area designated for public seating will be in an area of the meeting room that is not distracting or obtrusive to Board members, members of the public, or the orderly operation of the meeting. Any recording device used outside the area designated for public seating shall be located within a similar distance from the Board as the public seating area. The presiding officer or designee shall determine when the number of recording devices used outside the area designated for public seating interferes with the conduct of a Board meeting and may order that an interfering recording device be removed or relocated.

Additional lighting shall not be used unless approved by the presiding officer or designee prior to the meeting. All recording devices and any related equipment must be battery operated or operational without the use of district electricity as the district will not permit such equipment to be connected to the school district's electrical service.

The presiding officer or designee shall determine if a recording device interferes with the conduct of a Board meeting and may order that an interfering device be relocated.

0169 BOARD MEMBER USE OF ELECTRONIC MAIL/INTERNET

The Board of Education is a public body as defined in the New Jersey Open Public Meetings Act, N.J.A.C. 10:4-6 et seq., and the Board and its members are required to comply with the provisions of this Act. It is the right of the public to be present at meetings of public bodies and to witness in full all phases of the deliberations, policy formulation, and decision-making. Board members acknowledge certain discussions between Board members, other than during a Board meeting, may be subject to the provisions of the Open Public Meetings Act.

The Board of Education is also subject to the Open Public Records Act, N.J.S.A. 47:1A-1 et seq. The Open Public Records Act requires public agencies/School Boards to make certain governmental records subject to public access. Board members may, by written and/or electronic mail (e-mail), communicate with each other and with certain school staff regarding the school district's public business. "Public business" means and includes all matters that relate in any way, directly or indirectly, to the performance of the public body's functions or the conduct of its business. Board members acknowledge these written communications may be classified as a governmental record and may be subject to public access pursuant to the Open Public Records Act.

In order to ensure the Board and/or individual Board members comply with the requirements of the Open Public Meetings Act and the Open Public Records Act, the following guidance is provided regarding certain discussions and written communications regarding the public business:

1. Written letters, e-mails, and supporting documents regarding school district matters written by Board members to other Board members or written by Board members to school staff, unless the subject matter is specifically exempt under the Open Public Records Law, are governmental records and are subject to public access. Based on the potential for improper/inappropriate disclosure and/or breach of confidentiality that may compromise the Board or Board member, these communications should not involve confidential matters, especially any matter the Board may discuss in executive/private session outside the presence of the public pursuant to the Open Public Meetings Act.
2. Written letters, internet (chat) discussions, e-mails, and supporting documents regarding the school district's public business written by Board members to other Board members shall not replace deliberations that would prevent the public from witnessing in full detail all phases of the Board's deliberations, policy formulation, and decision-making process in accordance with the intent of the Open Public Meetings Act.

3. Internet (chat) discussions between Board members regarding the school district's public business shall not include multiple Board members with the potential that a quorum of the Board may be involved, or become involved, in such discussion.

In the event a Board member(s) fails to comply with the guidance of this Policy, the matter shall be referred to the Board President, who will meet and/or discuss the matter and this Policy with the Board member(s). The Board President may request the Board Attorney participate in this meeting and/or discussion.

0174 LEGAL SERVICES

In accordance with N.J.A.C. 6A:23A-5.2, the Board of Education adopts this Policy and its strategies to ensure the use of legal services by employees and the Board of Education members and the tracking of the use of legal services.

The Board of Education authorizes the Superintendent of Schools, Superintendent of Schools' designee, Assistant Superintendent for Business/Board Secretary, and Board President as designated contact persons to request services or advice from contracted legal counsel.

The Assistant Superintendent for Business/Board Secretary shall be responsible to review all legal bills and confer with designated contact persons in reviewing such legal bills.

In accordance with the provisions of N.J.A.C. 6A:23A-5.2(a)2, the Board designates the administrative staff member to review all legal bills and designates contact persons to ensure the prudent use of legal services.

School districts with legal costs that exceed one hundred thirty percent of the Statewide average per student amount should establish the procedures outlined in 1., 2., 3., and 4. below and, if not established, provide evidence such procedures would not result in a reduction of costs.

1. The designated contact person(s) shall ensure that contracted legal counsel is not contacted unnecessarily for management decisions or readily available information contained in district materials such as Board policies, administrative regulations, or guidance available through professional source materials.
2. All requests for legal advice shall be made to the designated contact person(s) in writing and shall be maintained on file in the district offices. The designated contact person shall determine whether the request warrants legal advice or if legal advice is necessary.
3. The designated contact person(s) shall maintain a log of all legal counsel contact including the name of the legal counsel contacted, date of the contact, issue discussed, and length of contact.
4. All written requests for legal advice and logs of legal counsel contacts shall be forwarded to the Assistant Superintendent for Business/Board Secretary, who shall be responsible to review all legal bills and compare all legal bills to the contact logs and to investigate and resolve any variances.

Any professional services contract(s) for legal services shall prohibit advance payments. Services to be provided shall be described in detail in the contract and invoices for payment shall itemize the services provided for the billing period. Payments to legal counsel(s) shall only be for services actually provided.

School districts and vocational school districts are prohibited from contracting with legal counsel or using in-house legal counsel to pursue any affirmative claim or cause of action on behalf of district administrators and/or any individual Board members or pursuing any claim or cause of action for which the damages to be awarded would benefit an individual rather than the school district as a whole.

The Board of Education will annually establish prior to budget preparation, a maximum dollar limit for each type of professional service, including legal services. In the event it becomes necessary to exceed the established maximum dollar limit for the professional service, the Superintendent of Schools shall recommend to the Board of Education an increase in the maximum dollar amount. Any increase in the maximum dollar amount shall require formal Board action.

Contracts for legal services will be issued by the Board in a deliberative and efficient manner that ensures the district receives the highest quality services at a fair and competitive price or through a shared service arrangement. This may include, but is not limited to, issuance of such contracts through a Request for Proposals (RFP) based on cost and other specified factors or other comparable processes. Contracts for legal services shall be limited to non-recurring or specialized work for which the district does not possess adequate in-house resources or in-house expertise to conduct.

0175 CONTRACTS WITH INDEPENDENT CONSULTANTS

The Board of Education may from time to time engage the services of one or more independent contractors to advise and assist the Board in analyzing school district operations and preparing Board reports when those tasks cannot be performed as economically by district staff members.

Wherever possible, the Board will seek proposals from multiple sources before a contract with an independent consultant is entered. The Board will not contract with a Board member or the spouse, child, parent(s) or legal guardian(s), or sibling, in fact or in law, of a Board member as an independent consultant.

The Board will engage the services of an independent consultant only by written contract, which must specify the work to be accomplished by the consultant, the time within which the work is to be completed, and the fee that will be paid the consultant. An independent consultant engaged by the Board is neither agent nor employee of the Board and may represent the Board only as expressly authorized to do so in writing.

An independent consultant may have access to such school facilities and school district employees as may be reasonably required in the performance of the consultant's contract with the Board. Except as expressly permitted by the contract, any communication between the consultant and a district employee or community member regarding the work of the contract must be conducted through the Board or a designated school official.

Materials and reports generated and created by the independent consultant in the performance of his/her contract with the Board are and will remain the property of the Board and are subject to Board Policy No. 8310 on public records.

0176 COLLECTIVE BARGAINING AND CONTRACT  
APPROVAL/RATIFICATION

The Board recognizes a Board member and/or a member of his/her immediate family may be a member of, or salary is determined by, a labor bargaining unit, professional association and/or union that has an affiliation with a bargaining unit, professional organization and/or union within the school district. The Board member does not automatically violate N.J.S.A. 18A:24 by voting to approve and/or ratify this contract solely on the basis of his/her status or that of an immediate family member with respect to membership or representation by a different local affiliate of the same Statewide association with whom the agreement is made provided the Board member's involvement with such local affiliate has not or appears to have not compromised the member's objectivity or independence of judgment.

In accordance with N.J.S.A. 18A:12-24, the Board member shall not participate in the collective bargaining process and/or serve on the negotiations committee representing the Board with this unit, association, and/or union. The Board member may be apprised of the terms of a tentative memorandum of agreement with this unit, association, and/or union in closed and/or open session only after a tentative memorandum of agreement has been reached. The Board member may vote during the public meeting to approve and/or ratify a contract with this bargaining unit, professional association and/or union.

The Board member shall not participate in any aspect of negotiations and/or vote to approve/ratify a tentative memorandum of agreement/contract ratification if the Board member has an immediate family who is a member of the bargaining unit, professional association and/or union within the school district. Under this circumstance, the Board member may only vote in the event the school Board attorney advises the Board the Doctrine of Necessity must be invoked in accordance with Policy No. 0163.

In addition, the School Ethics Commission Decision A16-00 states a Board member may not participate in any aspect of negotiations and/or vote to approve/ratify a tentative memorandum of agreement/contract ratification if the Board member has a "relative" who is a member of the bargaining unit, professional association and/or union within the school district. Under this circumstance, the Board member may only vote in the event the school Board attorney advises the Board the Doctrine of Necessity must be invoked in accordance with Policy No. 0163.
