#### 4125 EMPLOYMENT OF SUPPORT STAFF MEMBERS

The Board of Education believes it is vital to the successful operation of the school district that support staff member positions be filled with highly qualified and competent professionals.

In accordance with the provisions of N.J.S.A. 18A:27-4.1, the Board shall appoint, transfer, remove, or renew a certificated or non-certificated officer or employee only upon the recommendation of the Superintendent of Schools and by a recorded roll call majority vote of the full membership of the Board. The Board shall not withhold its approval for arbitrary and capricious reasons. The Board shall approve the employment, fix the compensation, and establish the term of employment for every support staff member employed by this district.

The Board will employ substitutes for absent support staff members in order to ensure continuity in a program and will annually approve a list of substitutes and rate of pay. The Superintendent or designee shall select substitutes from the list approved by the Board to serve in the place of an absent support staff member.

The Board may use a private contractor to secure a substitute support staff member.

The Board of Education shall not employ for pay or contract for the paid services of any support staff member or any other person serving in a position which involves regular contact with students unless the Board has first determined consistent with the requirements and standards of N.J.S.A. 18A:6-7.1 et seq. that no criminal history record information exists on file in the Federal Bureau of Investigation, Identification Division, or the State Bureau of Identification which would disqualify the individual from being employed or utilized in such capacity or position.

An individual employed by the Board or a school bus contractor holding a contract with the Board, in the capacity of a school bus driver, shall be required to meet the criminal history record requirements as outlined in N.J.S.A. 18A:39-19.1.

The Board will employ paraprofessional school aides and/or classroom aides to assist in the supervision of student activities under the direction of a Principal, teacher, or other designated certified professional personnel. Aides will serve the needs of students by performing nonprofessional duties and may work only under the direct supervision of a teaching staff member(s).

#### Employment of Support Staff Members

In accordance with the requirements of *No Child Left Behind Act of 2001*, paraprofessionals hired after January 8, 2002, who work in a program supported with Title I, Part A funds, with certain exceptions, must meet one of the following criteria:

1. Completed at least two years of study at an institution of higher education;
2. Obtained an associate's (or higher) degree; or
3. Met a rigorous standard of quality and be able to demonstrate, through a formal State or local academic assessment, knowledge of and the ability to assist in instructing, reading, writing, and mathematics (or, as appropriate, reading readiness, writing readiness, and mathematics readiness).

Paraprofessional staff working in a Title I school, and whose salary is paid for in whole or in part with Title I funds, must have met one of the criteria listed above by the end of the 2005-2006 school year. The Superintendent will ensure paraprofessionals working in a program supported with Title I funds meet the above stated requirements.

An individual employed by the Board in any substitute capacity or position shall be required to undergo a criminal history record check in accordance with the provisions of N.J.S.A. 18A:6-7.1b.

An individual, except as provided in N.J.S.A. 18A:6-7.1g, shall be permanently disqualified from employment or service in the school district if the criminal history record check reveals a record of conviction for any crime or offense as defined in N.J.S.A. 18A:6-7.1 et seq.

The Board or contracted service provider may employ an applicant on an emergent basis for a period not to exceed three months, pending completion of a criminal history record check if the Board or contracted service provider demonstrates to the Commissioner of Education that special circumstances exist which justify the emergent employment as prescribed in N.J.S.A. 18A:6-7.1c. In the event the criminal history record check is not completed for an emergent hired employee within three months, the Board or contracted service provider may petition the Commissioner for an extension of time, not to exceed two months, in order to retain the employee.

No criminal history record check shall be performed unless the applicant shall have furnished written consent to such a check. The applicant shall bear the cost for the criminal history record check, including all costs for administering and processing the check. The district will deny employment to an applicant if the applicant is required and refuses to submit to a criminal history record check.

If upon completing an examination(s) it is determined a candidate for employment who received a conditional offer of employment is unable to perform with reasonable accommodation job-related functions pursuant to the provisions of the ADA, the conditional offer of employment will be rescinded either by the Superintendent of Schools, if the Board has not yet approved the appointment, or by the Board, if the Board had approved the appointment at a Board meeting.

The physical examination shall include, but is not limited to, a health history to include past serious illnesses and injuries; current health problems; allergies; and a record of immunizations. The physical examination shall also include a health screening to include, but not limited to: height and weight; blood pressure; pulse and respiratory rate; vision screening; and hearing screening.

Pursuant to N.J.S.A. 18A:16-3, the Board shall bear the cost of physical examinations required by this Policy performed by a physician or institution designated by the Board. However, the candidate shall bear the cost if the examination is performed by a physician or institution designated by the candidate with approval of the Board. In the event the Board approves the physician or institution designated by the candidate to complete an examination required by this Policy, the candidate will be provided with the detailed requirements of the examination.

A Mantoux tuberculosis test shall be given to all student teachers, school bus drivers on contract with the district, and contractors or volunteers who have contact with students.

All staff members' medical and health records, including computerized records, will be secured, stored, and maintained separately from other personnel files. The information contained in medical records will be kept confidential. Only the staff member, the Superintendent, and the school medical inspector shall have access to medical information regarding an individual employee. Examination for Cause

#### 4161 EXAMINATION FOR CAUSE

The Board of Education may, in accordance with law, require the psychiatric or physical examination of any support staff member who shows evidence of deviation from normal physical or mental health.

The Superintendent shall recommend to the Board the examination of any support staff member whose physical or mental condition so departs from normal health as to adversely affect the performance of the member's duties. Any such recommendation must be accompanied by competent evidence. If the Board determines that deviation from normal health has been demonstrated, it may require that the member submit to a physical or mental examination.

A requirement for physical or mental examination shall be made known to the employee by written notice setting forth the nature of the examination required, the reasons for the requirement, and a statement offering the member the opportunity to appear before the Board to explain or refute those reasons, provided any such hearing is requested in writing within five working days of the receipt of the notice.

A support staff member who fails to request an appearance before the Board within the time permitted or, having appeared before the Board, fails to persuade the Board that he/she should not be required to submit to the required examination shall be ordered to submit to an appropriate examination by a physician or institution designated by the Board and at the Board's expense.

The support staff member may, at his/her option, submit names of physicians or institutions to the Board for consideration to complete the appropriate examination(s). The Board is not required to designate a physician or institution submitted for consideration by the support staff member, but the Board will not act unreasonably in withholding its approval of a physician or institution submitted by a support staff member. The cost of the examination will be borne by the Board if the Board designates a physician or institution from the names submitted from the support staff member.

If the support staff member's request is denied, or if the support staff member does not request the Board to consider a physician or institution, the staff member may elect to submit to an appropriate examination conducted by a physician or institution of the support staff member's own choosing and at his/her expense, provided the physician or institution so chosen is approved by the Board, pursuant to N.J.S.A. 18A:16-3, and is authorized and directed by the member to report the results of the examination to the Board.

#### 4211.3 CONSULTING OUTSIDE THE DISTRICT

The Board of Education recognizes that support staff members will have expertise and knowledge in areas that other school districts, agencies, and other entities may desire. Recognizing that the school district will request the expertise from support staff members from other school districts, agencies and other entities, the Board supports sharing of its support staff members with other school districts, agencies, and other entities to the extent it does not interfere with the efficient operation of the school district.

The Superintendent may recommend to the Board a support staff member's attendance in another school district, agency or other entity without additional remuneration to the support staff member or school district, upon a written request from the agency or from the support staff member.

The Board of Education recognizes support staff members will have expertise and knowledge in areas that other school districts, public and private agencies, and private business organizations may desire to compensate as a paid consultant. When a support staff member serves as a paid consultant, the support staff member is not permitted to use normal work hours for any paid consulting activities. Attendance

#### 4212 ATTENDANCE

The regular and prompt attendance of support staff members is an essential element in the efficient operation of the school district and the effective conduct of the educational program. Staff member absenteeism disrupts the educational program and the Board of Education considers attendance an important component of a staff member's job performance.

A support staff member who fails to give prompt notice of an absence, misuses sick leave, fails to verify an absence in accordance with Board policy, falsifies the reason for an absence, is absent without authorization, is repeatedly tardy, or accumulates an excessive number of absences may be subject to appropriate consequences, which may include the withholding of a salary increment, dismissal, and/or certification of tenure charges.

In accordance with N.J.S.A. 18A:30-1, sick leave is defined to mean the absence from work because of a personal disability due to injury or illness or because the support staff member has been excluded from school by the school medical authorities on account of contagious disease or of being quarantined for such a disease in the staff member's immediate household. No support staff member will be discouraged from the prudent, necessary use of sick leave and any other leave provided for in the collective bargaining agreement negotiated with the member's majority representative, in an individual employment contract, or provided in the policies of the Board. In accordance with N.J.S.A. 18A:30-4, the Superintendent or Board of Education may require a physician's certificate to be filed with the Secretary of the Board in order to obtain sick leave.

The Superintendent, in consultation with administrative staff members, will review the rate of absence among the staff members. The review will include the collection and analysis of attendance data, the training of support staff members in their attendance responsibilities, and the counseling of support staff members for whom regular and prompt attendance is a problem.

No support staff member shall use or attempt to use his/her position to secure unwarranted privileges or advantages.

No support staff member of the Board shall accept any gift, favor, service or other thing of value under circumstances from which it might be reasonably inferred that such gift, service or other thing of value was given or offered for the purpose of influencing the support staff member in the discharge of his/her duties.

The Board of Education discourages the presentation of gifts to support staff members by students and their parent(s) or legal guardian(s), because it may embarrass students with limited means and give the appearance of currying favor.

The Board of Education recognizes a support staff member who reports to work under the influence of drugs or alcohol poses a significant threat to their health, safety, and welfare and the health, safety, and welfare of others, including students and other staff members. The Board strongly advises any support staff member that has a dependency on a substance as defined in this Policy to seek appropriate treatment. The Board has an obligation and the right to maintain a safe and healthy work environment and adopts this Policy as an important component toward maintaining a safe environment in the school district. A support staff member is prohibited from possession, use, distribution, or being under the influence of any substance during work hours.

For the purposes of this Policy, "substance" or "substances" means alcoholic beverages, any controlled dangerous substances, including anabolic steroids as defined in N.J.S.A. 24:21-2 and N.J.S.A. 2C:35-2, or any chemical or chemical compound which releases vapors or fumes causing a condition of intoxication, inebriation, excitement, stupefaction, or dulling of the brain or nervous system, including, but not limited to, glue containing a solvent having the property of releasing toxic vapors or fumes as defined in N.J.S.A. 2C:35-10.4, and over-the-counter and prescription medications that are improperly used to cause intoxication, inebriation, excitement, stupefaction, or dulling of the brain or nervous system.

Any support staff member who reports to work under the influence of or in possession of any substance will be subject to appropriate discipline, which may include termination or the filing of tenure charges for a tenured support staff member in accordance with law.

A support staff member shall be required to submit to an immediate medical examination to include a substance test if the support staff member's supervisor has reasonable suspicion to believe a support staff member is under the influence of a substance during work hours. Refusal of a support staff member to consent to the medical examination and substance test will be determined to be a positive result.

In the event a support staff member's medical examination and substance test results are negative for a substance, any documents or records pertaining to the requirement for the examination and test and results will not be maintained by the school district. Any required examination and testing shall be paid for by the Board. The support staff member will be afforded the opportunity to have any test results confirmed using acceptable test confirmation practices. This confirming test shall be paid for by the support staff member.

The Omnibus Transportation Employee Testing Act requires all operators of commercial motor vehicles subject to the Commercial Drivers License requirements to be tested for controlled substances and alcohol. Federal regulations of the U. S. Department of Transportation require that school bus drivers as well as drivers of private carriers of passengers contracted by the Board be required to submit to alcohol and controlled substance testing in accordance with 49 C.F.R. Part 40. The Board designates the Supervisor of Transportation as the Designated Employer Representative (DER) of the Board of Education. The Board may contract with a service agent to provide the testing services as required by Federal Regulations.

The written consent from the individual will permit the Designated Employer Representative (DER) to obtain the following information from previous DOT-regulated employers:

- a. Alcohol tests with a result of 0.04 or higher alcohol concentration;
- b. Verified positive drug tests;
- c. Refusals to be tested (including verified adulterated or substituted drug test results);
- d. Other violations of DOT agency drug and alcohol testing regulations; and

The DER will obtain and review this information before the employee first performs and driving and/or safety-sensitive functions. If this is not feasible, the DER will not permit the individual to work after thirty days from the individual's first date of employment in the position unless the DER has obtained or made and documented a good faith effort to obtain this information.

#### 2. Random Testing

A covered employee shall be subject to submit to a alcohol and controlled substance testing on an unannounced and random basis resulting from the selection by a random generation methodology in accordance with 49 C.F.R. 383.305(i). The minimum rate of random controlled substances testing shall be 50% of the average number of drivers. These rates may be adjusted as determined by the FHWA (Federal Highway Administration) Administrator in accordance with 49 C.F.R. 382.305.

### 3. Post-Accident Testing

The involvement by an employee in a motor vehicle collision while operating a Board vehicle when such accident results in property damage or personal injury, may trigger a post-accident drug and alcohol test.

As soon as practical following an occurrence, the DER will require post-accident alcohol screening for each of the surviving drivers:

- a. Who was performing safety-sensitive functions with respect to a vehicle, if the accident involves the loss of human life; or
- b. Who receives a citation within eight hours of the occurrence under State or local law for a moving traffic violation arising from the accident, if the accident involved:
  - (1) Bodily injury to any person, who, as a result of the injury immediately receives medical treatment away from the scene of the accident; or

- c. If the alcohol test is not administered within two hours following the accident, the DER will prepare and maintain on file a record stating the reasons the test was not promptly administered. If the alcohol test is not administered within eight hours following the accident, the DER shall cease attempts to administer the alcohol test and shall prepare and maintain the same record. A driver who is subject to post-accident testing shall remain readily available for such testing or be deemed to have refused to submit for testing. A driver who is injured in an accident and requires medical care, shall submit to post-accident drug and controlled substance testing by the medical care facility providing the treatment or a designee of the Board if the facility is unable to provide the testing. Nothing herein shall be construed to prevent the driver from leaving the scene of the accident for the period required to obtain necessary assistance or to obtain emergency medical care.

#### 4. Reasonable Suspicion Testing

The DER may require a driver to submit to an alcohol and/or controlled substance test when the driver is observed by a supervisor or school official who is trained in accordance with 49 C.F.R. 382.603 and causes the observer to have reasonable suspicion to believe the driver has violated 49 C.F.R. 382 et seq. Reasonable suspicion must exist to require the driver to undergo a test and must be based on specific, contemporaneous, articulable observations concerning the appearance, behavior, speech or body odors of the driver. The observations may include indications of the chronic and withdrawal effects of controlled substances.

Reasonable suspicion alcohol testing is authorized only if the required observations are made during, just preceding, or just after the period of the work day the driver is required to be in compliance with the testing requirements of 49 C.F.R. 382 et seq.

Reasonable suspicion testing may be required of a driver while the driver is performing, just before the driver will perform or just after the driver has ceased performing safety-sensitive functions. If the alcohol test is not administered within two hours following the determination a reasonable suspicion test is required, the DER will prepare and maintain on file a record stating the reasons the test was not promptly administered. If the alcohol test is not administered within eight hours following the determination, the DER shall cease attempts to administer the alcohol test and shall state in the record the reasons for not administering the test.

No driver shall report for duty or remain on duty requiring the performance of safety-sensitive functions while the driver is under the influence of or impaired by alcohol, as shown by the behavioral, speech and performance indicators of alcohol misuse. The driver will also not be able to perform or continue to perform safety-sensitive functions until an alcohol test is administered and the driver's concentration measures less than 0.02 or twenty-four hours have elapsed following the determination that reasonable suspicion existed to require an alcohol test.

A written record of the observations leading to a reasonable suspicion test shall be made and signed by the supervisor and/or school official that made the observations. This record shall be made within twenty-four hours of the observed behavior or before the results of the test are released, whichever is earlier.

#### 5. Return to Duty Testing

The district is not required to return an employee to a safety-sensitive position upon receipt of a confirmed drug and/or alcohol test. The Designated Employer Representative (DER) may recommend to the Superintendent of Schools the individual's employment be terminated depending on the circumstances.

In the event the DER does not recommend termination, the DER shall ensure that before a driver returns to duty requiring the performance of a safety-sensitive function, the driver shall undergo a return to duty alcohol test indicating a breath alcohol concentration of less than 0.02 and a controlled-substances test with a result indicating a verified negative result for controlled-substances use as required in 49 C.F.R. 40.305.

Drivers permitted to return to duty are required to take return-to-duty tests and shall be evaluated by a Substance Abuse Professional (SAP). These individuals must participate in an assistance program prescribed by the SAP and as required in 49 C.F.R. 40 Subpart O.

The SAP will determine a written follow-up testing plan for any individual who has been permitted to return to work and has successfully complied with the SAP's recommendations for education and/or treatment. Such employees are subject to a minimum of six (6) unannounced, follow-up drug screening and alcohol tests over the following twelve (12) months. The testing shall not exceed sixty (60) months. Alcohol follow-up testing shall be performed only when the driver is performing safety-sensitive functions or immediately prior to performing or immediately after performing safety-sensitive functions. All follow-up testing will be completed in accordance with 49 C.F.R. 40.311.

### Medical Review Officer (MRO) Notifications

The Board shall employ or contract with a medical review officer who is a licensed physician (M.D. or D.O.) and shall designate the Medical Review Officer as the individual responsible for receiving laboratory results generated by the testing program. The medical review official shall have knowledge of substance abuse disorders and have appropriate medical training to interpret and evaluate the individuals confirmed positive test together with his/her medical history and other biomedical data. The Medical Review Officer will perform all functions and responsibilities as required in 49 C.F.R. 49 Subpart G.

### Employer Notification

The Medical Review Officer may report controlled substances test results to the DER by any means of communication; however, a signed, written notification must be forwarded within three business days of the completion of the Medical Review Officer's evaluation. The Medical Review Officer must report all drug test results to the employer. The MRO may use a signed or stamped and dated legible photocopy of Copy 2 of the CCF to report test results or a written report that must include, at a minimum, the information required in 49 C.F.R. 40.163.

### Split Specimen Tests

Split specimen testing will be conducted in accordance with 49 C.F.R. 40 Subpart H. Under split-sample collection procedures, the driver has seventy-two hours from the time of notification of a positive result to request the MRO to order a test of the split specimen. If the driver does not request a split specimen test within seventy-two hours, the driver may present to the MRO information documenting that serious injury, illness, lack of actual notice of the verified test result, inability to contact the MRO, or other circumstances unavoidably prevented the individual from making a timely request.

If the split specimen is unavailable or appears insufficient, the laboratory will continue the testing process of the primary specimen as the laboratory would normally. The laboratory will report the results for the primary specimen without providing the MRO information regarding the unavailable split specimen. In the event the MRO requests the split specimen be forwarded to another laboratory, the laboratory will report to the MRO the split specimen is unavailable for testing and the laboratory will provide the MRO with as much information as possible about the cause of the unavailability.

### Designated Collection Facility

The Board shall designate the facility to be used for the collection of the specimen; provided, however, that the designated facility shall possess all required licenses and permits. The collection site will take place in a facility meeting the requirements of 49 C.F.R. 40 Subpart D. The DER will ensure the collection site meets the security requirements of 49 C.F.R. 40.43.

### Designated Screening Laboratory

The Board shall designate the laboratory to which collected fluid samples will be forwarded for drug/alcohol screening. Drug testing laboratories must be certified by the Department of Health and Human Services (HHS) under the National Laboratory Certification Program (NLCP) for all testing required under 49 C.F.R. 40. The laboratory will perform all responsibilities as required in accordance with 49 C.F.R. 40 Subpart F.

### Specimens

The normal screening methodology for controlled substances shall be urinalysis, collected by a representative of the Board at a designated site. The presence of alcohol will be determined by an Alcohol Screening Device (ASD) or an Evidential Breath Testing Device administered by an individual certified in accordance with 49 C.F.R. 40.211 and 49 C.F.R. 40.213.

### Refusal to Submit

A driver will be deemed as refusing to take a drug test as described in with 49 C.F.R. 40.191. As per 49 C.F.R. 40.191, and individual refuses to take a drug test if he/she:

1. Fails to appear for any test (except a pre-employment test) within a reasonable time, as determined by the DER, consistent with applicable DOT agency regulations, after being directed to do so by the DER;
2. Fails to remain at the testing site until the testing process is complete. An employee who leaves the testing site before the testing process commences for a pre-employment test is not deemed to have refused to test;
3. Fails to provide a urine specimen for any drug test required by this policy. An employee who does not provide a urine specimen because he or she has left the testing site before the testing process commences for a pre-employment test is not deemed to have refused to test;
4. Fails to permit the observation or monitoring of providing a specimen. In the case of a directly observed or monitored collection in a drug test;
5. Fails to provide a sufficient amount of urine when directed, and it has been determined, through a required medical evaluation, that there was no adequate medical explanation for the failure;
6. Fails or declines to take a second test the DER of collector has directed the individual to take;
7. Fails to undergo a medical examination or evaluation, as directed by the MRO as part of the verification process, or as directed by the DER under Sec. 40.193(d). In the case of a pre-employment drug test, the individual is deemed to have refused to test on this basis only if the pre-employment test is conducted following a contingent offer of employment;
8. Fails to cooperate with any part of the testing process (e.g., refuses to empty pockets when so directed by the collector, behaves in a confrontational way that disrupts the collection process); or
9. If the MRO reports the driver had a verified adulterated or substituted test result.

If an individual refuses to participate in a part of the testing process, the collector or MRO, must terminate the portion of the testing process, document the refusal on the CCF (including in the case of the collector, printing the employee's name on Copy 2 of the CCF), immediately notify the DER by any means (e.g., telephone or secure fax machine) that ensures that the refusal notification is immediately received. A referral physician (e.g., physician evaluating a "shy bladder" condition or a claim of a legitimate medical explanation in a validity testing situation), must notify the MRO, who in turn will notify the DER. In addition, the collector must note the refusal in the "Remarks" line (Step 2), and sign and date the CCF. The MRO must note the refusal by checking the "refusal to test because" box (Step 6) on Copy 2 of the CCF, and add the reason on the "Remarks" line. The MRO must then sign and date the CCF. When the driver refuses to take a non-DOT test or to sign a non-DOT form, the driver has not refused to take a DOT test. There are no consequences under DOT agency regulations for refusing to take a non-DOT test.

#### Record of Negative Screening

An employee required to submit to an alcohol and/or controlled substance screening as provided in this policy and whose screening results are negative may, at their option, have their personnel file documented to reflect the negative result.

#### Prescription Drugs

All bus drivers shall notify the DER of the use of any prescription drugs. The Board may require certification from the prescribing physician that the use of the prescription drug will not have an adverse affect on the driver's ability to properly perform safety-sensitive functions.

#### Consequences to Drivers Engaging in Prohibited Conduct

An employee whose screening produces a positive result for a prohibited substance:

1. Shall not be permitted to perform safety-sensitive functions;
2. Shall be advised by the DER of resources available to them in evaluating and resolving problems associated with the misuse of alcohol or the use of controlled substances;
3. Shall be evaluated by a substance abuse professional who shall determine what assistance, if any, is needed to resolve problems with alcohol or controlled substance use;

Use of Social Networking Sites

### 4282 USE OF SOCIAL NETWORKING SITES

The Board of Education has a strong commitment to quality education and the well-being of all students, as well as the preservation of the school district's reputation. The Board believes staff members must establish and maintain public trust and confidence and be committed to protecting all students attending the school district. In support of the Board's strong commitment to the public's trust and confidence, the Board holds all staff members to the highest level of professional responsibility.

The Commissioner of Education has determined inappropriate conduct outside a staff member's professional responsibilities may determine them as unfit to discharge the duties and functions of their position. Staff members should be advised communications, publications, photographs, and other information appearing on social networking sites deemed inappropriate by the Board could be cause for dismissal of a non-tenured staff member or to certify tenure charges against a tenured staff member to the Commissioner of Education.

Staff members are advised to be concerned and aware such conduct deemed inappropriate may include, but is not limited to, communications and/or publications using e-mails, text-messaging, social networking sites, or any other form of electronic communication that is directed and/or available to students or for public display or publication.

While the Board respects the right of staff members to use social networking sites, staff members should recognize they are held to a higher standard than the general public with regard to standards of conduct and ethics. It is important that a staff member's use of these sites does not damage the reputation of the school district, employees, students, or their families. Staff members who utilize, post or publish images, photographs, or comments on social networking sites, blogs, or other forms of electronic communication outside their professional responsibilities shall ensure their use, postings, or publications are done with an appropriate level of professionalism and are appropriate conduct for a school staff member. Staff members should exercise care in setting appropriate boundaries between their personal and public online behavior, understanding that what is private in the digital world often has the possibility of becoming public even without their knowledge or consent.

The school district strongly encourages all staff members to carefully review the privacy settings on social networking sites they use and exercise care and good judgment when posting content and information on such sites. Staff members should adhere to the following guidelines, which are consistent with the district's workplace standards on harassment, student relationships, conduct, professional communication, and confidentiality.

#### 4322 STAFF MEMBER'S USE OF PERSONAL CELLULAR TELEPHONES/ OTHER COMMUNICATION DEVICES

The Board of Education recognizes a support staff member may need to electronically communicate on a non-school related, personal matter using a personal cellular telephone or other personal communication device during their workday. Electronic communications include, but are not limited to: voice conversations, text-messaging, accessing social networking or other internet sites, or any other type of electronic communication.

In the event the support staff member needs to electronically communicate on a non-school related, personal matter using a personal cellular telephone or other personal communication device during their workday, the support staff member may do so provided the communication is made during the support staff member's free lunch or break periods and is made outside the presence of students in an area inside the school building designated by the support staff member's Principal or immediate supervisor.

A support staff member's personal cellular telephone or other personal communication device shall be secured by the support staff member and outside the view of others when the support staff member is performing assigned school district responsibilities.

An electronic communication by a support staff member on a non-school related, personal matter using a personal cellular telephone or other personal communication device shall not be made while the support staff member is performing assigned school district responsibilities.

In the event the support staff member has an emergency requiring immediate attention that requires such a communication while performing assigned school district responsibilities, the support staff member shall inform their Principal or immediate supervisor before or immediately after the communication, depending on the nature of the emergency. The Board of Education is not responsible if a support staff member's personal cellular telephone or other communication device is lost, stolen, or missing.

Right of Privacy

### 4324 RIGHT OF PRIVACY

The Board of Education will provide facilities and school district-owned property to assist staff members in their job responsibilities or for the staff members' convenience. These facilities or district-owned property may include, but are not limited to, an office, a storage closet, a filing cabinet, a locker, and/or a desk. The Principal or designee may provide a staff member with exclusive use and access to such facilities or school district-owned property or may require the facility or school district-owned property be shared with other staff members. The staff member may be provided a lock or key by the school district or may secure the facility or school district-owned property using their own locking device with permission from the Principal or designee, or immediate supervisor.

School staff members should be aware their expectation of privacy in these facilities and/or the school district-owned property provided by the Board of Education is reduced by virtue of actual office practices and procedures, for searches conducted pursuant to an investigation of work-related employee misconduct, or by legitimate school district policies or regulations. In addition, staff members shall have a reduced expectation of privacy in these facilities and school district-owned property if there is reasonable suspicion the staff member is violating a law or school policy. School staff members shall be on notice this reduced expectation of privacy may result in such facilities and/or school district-owned property being searched without a search warrant. In order to avoid exposing personal belongings to such a search, school staff members are discouraged from storing personal papers and effects in these facilities or school district-owned property.

Grievance

### 4340 GRIEVANCE

The Board of Education shall develop and practice reasonable and effective means for the resolution of disputes that may arise in the employment of support staff members not covered by the terms of a negotiated agreement.

The Board directs that any grievance not provided for by negotiated agreement be resolved by submission to the following grievance procedure, which is designed to promote proper and equitable settlement of grievances at the lowest appropriate level and to facilitate an orderly process for the resolution of grievances.

For the purposes of this policy, "grievance" means an unresolved problem concerning the application or interpretation by an officer or employee of this district of law, regulations of the State Board of Education, the bylaws or policies of the Board, or the administrative regulations of the Superintendent; "grievant" is a district employee who alleges a grievance or the employee's representative; "party" means the grievant or any person named in the grievance as allegedly having violated a law, bylaw, policy, or regulation; and "day" means a school day.

A grievant may use personal leave time when it becomes necessary to process a grievance during the working day. There will be no reprisal of any kind taken against any employee or employee's representative for participation in a grievance.

Any alleged grievance should, at the first instance, be discussed in one or more private, informal conferences between the parties involved or between the grievant and his/her immediate supervisor. A grievance not resolved in one or more such private meetings may be processed in accordance with the following procedure.

#### Level One

Within three working days of the occurrence of the act or omission giving rise to the grievance, the grievant must present his/her grievance in writing to the grievant's immediate supervisor. The written document will be a clear, concise statement of the grievance and will include the law, rule, policy, or regulation that the grievant alleges to have been violated; the factual circumstances on which the grievance is based; the person or persons involved; the decision, if any, rendered at the private conference; and the remedy sought.

Within seven working days the supervisor shall present a decision to the grievant in writing. If the supervisor does not respond during the time permitted, the grievant may appeal to the next level.

### Level Two

A grievant not satisfied with a decision at Level One may appeal that decision in writing to the Superintendent within three working days after receipt of the decision or the expiration of the time during which the decision must be rendered. The written appeal will include a copy of the original grievance; the decision rendered, if any; the name of the grievant's representative, if any; and a clear, concise statement of the reasons for the appeal of the decision.

The Superintendent shall present a decision to the grievant within seven working days. If no decision is rendered within that time limit, the grievant may appeal to the next level.

### Level Three

A grievant not satisfied with the Superintendent's decision may appeal that decision in writing to the Board within three working days after the receipt of the decision or the expiration of the time during which the decision must be rendered. The written appeal to the Board will include copies of the original grievance, the appeal of that grievance at Level Two, and the decisions, if any.

The Board shall schedule the grievance for hearing to be held within forty-five calendar days of the presentation of the appeal. The grievant shall be present at the hearing.

Within ten calendar days of the hearing, the Board shall submit its decision in writing together with reasons that support the decision to the grievant. A copy of the decision shall be given to the Superintendent and to any other party to the grievance.

Healthy Workplace Environment

### 4351 HEALTHY WORKPLACE ENVIRONMENT

The Board of Education recognizes a healthy workplace environment enables school support staff members to fully contribute their expertise and skills to their school district responsibilities. A healthy workplace environment can improve productivity, reduce absenteeism, and reduce staff turnover while having a positive impact on the school district's programs provided to students in the school district.

A significant characteristic of a healthy workplace environment is that employees interact with each other with dignity and respect regardless of an employee's work assignment or position in the school district. Repeated malicious conduct of an employee or group of employees directed toward another employee or group of employees in the workplace that a reasonable person would find hostile or offensive is unacceptable and is not conducive to establishing or maintaining a healthy workplace environment. This unacceptable conduct may include, but is not limited to, repeated infliction of verbal abuse such as the use of derogatory remarks; insults; verbal or physical conduct that a reasonable person would find threatening, intimidating, or humiliating; or the gratuitous sabotage or undermining of a person's work performance. A single act of such conduct shall not constitute the unacceptable conduct prohibited by this policy unless it is especially severe and egregious.

Unacceptable conduct, for the purposes of this policy, is not conduct toward an employee of a protected class or because of the employee's protected activity. These employees and activities are afforded the legal protections under various Federal and State anti-discrimination laws. In addition, unacceptable conduct for the purposes of this policy shall not be confused with conduct of management employees exercising management rights including, but not limited to, assigning tasks, reprimanding, assigning discipline, or directing.

Employees who believe the conduct prohibited by this policy has been directed toward them or to another employee of the school district shall submit a written report to the Superintendent of Schools. The written report shall provide specific details supporting the claim including, but not limited to, the specific conduct; the names of witnesses (if any) who may have observed such conduct; dates or times when such conduct occurred; and any other information the person(s) making the report believes will be informative and helpful to an investigation of the allegations. Upon receipt of a report, the Superintendent or designee will conduct an investigation and upon completion of the investigation will inform the person(s) who made the report such an investigation was completed. The amount of investigation information shared with the person(s) making the report will be at the discretion of the Superintendent or designee and may vary depending on whether the conduct reported was directed to the person(s) making the report, confidential personnel matters, and/or other issues as determined by the Superintendent or designee.

Sexual Harassment

M

### 4352 SEXUAL HARASSMENT

The Board of Education recognizes that an employee's right to freedom from employment discrimination includes the opportunity to work in an environment untainted by sexual harassment. Sexually offensive speech and conduct are wholly inappropriate to the harmonious employment relationships necessary to the operation of the school district and intolerable in a workplace to which the children of this district are exposed.

Sexual harassment includes all unwelcome sexual advances, requests for sexual favors, and verbal or physical contacts of a sexual nature that would not have happened but for the employee's gender. Whenever submission to such conduct is made a condition of employment or a basis for an employment decision, or when such conduct is severe and pervasive and has the purpose or effect of unreasonably altering or interfering with work performance or creating an intimidating, hostile, or offensive working environment, the employee shall have cause for complaint.

The sexual harassment of any employee of this district is strictly forbidden. Any employee or agent of this Board who is found to have sexually harassed an employee of this district will be subject to discipline, which may include termination of employment. Any employee who has been exposed to sexual harassment by any employee or agent of this Board is encouraged to report the harassment to an appropriate supervisor. An employee may complain of any failure of the Board to take corrective action by recourse to the procedure by which a discrimination complaint is processed. The employee may appeal the Board's action or inaction to the New Jersey Division on Civil Rights or to the United States Equal Employment Opportunity Commission. Complaints regarding sexual harassment shall be submitted following the procedures outlined in Regulation 1530, Equal Employment Opportunity.

The Affirmative Action Officer shall instruct all employees of this Board to recognize and correct speech and behavior patterns that may be sexually offensive with or without the intent to offend.

Protection Against Retaliation

### 4381 PROTECTION AGAINST RETALIATION

The Board of Education will take no retaliatory action, by discharge, demotion, suspension, or any other adverse action, against an employee because that employee has conscientiously:

1. Disclosed or threatened to disclose to a supervisor or public body an activity, policy, or practice of this Board or any district officer that the employee reasonably believes to be in violation of law or rule;
2. Provided information to a public body conducting an investigation, hearing, or inquiry into any alleged violation of law by the Board or an officer of this district; or
3. Objected to or refused to participate in an activity, policy, or practice of this district that the employee reasonably believes to be in violation of law or rule, fraudulent, criminal, or incompatible with a clear mandate of public policy concerning the public health, safety, or welfare or protection of the environment.

An employee who has reason to believe that the Board has engaged in an illegal activity or an activity contrary to public policy must report that belief in writing to the Superintendent or designee before notice is given to a supervisor or a public body. The Superintendent or designee shall promptly report the same to the Board and institute an investigation of the reported activity. The findings of the investigation will be reported in writing to the Board and to the employee.

The protection of law and this policy apply only to employees who have given notice in accordance with this policy and have afforded the Board a reasonable period of time to take any corrective action that may be required or have acted in circumstances that the employee believes in good faith constitute an emergency.

The Superintendent shall post notice of this policy and inform employees of their rights under the New Jersey Conscientious Employee Protection Act.

### 4420 COMPENSATION AND RELATED BENEFITS

The Franklin Township Board of Education employs a number of individuals who are not members of a collective bargaining unit. This policy shall serve to establish terms and conditions of employment for those employees.

Non-aligned staff shall fall under three categories, Administrative, Secretarial and Support. A list of the individuals currently employed in non-aligned positions shall be kept on file in the Personnel Office. This list will be updated as necessary following Board Personnel action.

Non-aligned staff shall be afforded the following benefits:

1. Compensation

Non-aligned staff will be evaluated by their immediate supervisor on an annual basis. The Superintendent shall make recommendations to the Board of Education regarding salary increases and contract renewals of non-aligned staff. These recommendations will be based on the staff member's evaluation, the budgetary constraints of the district and in consideration of the negotiated contracts between the district and aligned staff. Performance evaluation and salaries may be reviewed annually by the Board's Personnel/Negotiations Committee prior to the Superintendent's recommendation made to the Board of Education.

Secretarial personnel shall be given a longevity stipend per year which is equal to that given to aligned personnel in the same classification.

Non-aligned support staff shall be given a longevity stipend which is equal to aligned personnel in the Franklin Township Support Staff Association.

There may be occasions, when due to a vacancy, a non-aligned administrator is assigned the responsibilities of another administrator in addition to their own. The Superintendent, when recommending that a non-aligned administrator serve in an acting or interim position, may recommend that additional compensation be given provided that the individual will serve in the position for twenty school days. In making the determination whether or not to recommend additional compensation, the Superintendent shall take into account the overall duties and responsibilities of the individual; the duration of the assignment; and the intensity and the magnitude of the responsibilities. This compensation will be awarded retroactive to the date that the responsibilities were assumed.

### 4425 WORK RELATED DISABILITY PAY

### Modified Duty Early Return to Work Program – Support Staff Members

#### 4425.1 MODIFIED DUTY EARLY RETURN TO WORK PROGRAM – SUPPORT STAFF MEMBERS

New Jersey's workers' compensation laws provide lost wages and pay medical expenses for an employee who sustains an injury as a result of an on-the-job accident, injury, or occupational disease. Workers' compensation is designed to protect school district employees and their families against the hardships from injury arising in the workplace. In an effort to assist school staff in recovering from an eligible workers' compensation injury, the Board provides a Modified Duty Early Return To Work Program. The Program is provided to staff members who have been injured on the job, but who are not permanently disabled. The Program is intended to minimize the negative psychological impact to an injured staff member due to being out of work and to provide a transition and adjustment period for the injured staff member to return to work while recovering from an on-the-job injury.

The school district may assign temporary modified duties and responsibilities to staff members that have sustained an eligible workers' compensation injury. These employees may temporarily perform duties and responsibilities that may or may not be within their job description, or may or may not be within their department. The modified duties and/or responsibilities will be within the injured staff member's capabilities and a staff member will not be assigned any modified duties and/or responsibilities that require any certifications/licenses that are not possessed by the injured staff member.

The modified duties and responsibilities will be determined by the Human Resources Department, the district's designated Workers' Compensation Coordinator, after a medical examination and evaluation of the injured staff member by the Board's designated workers' compensation physician. The Workers' Compensation Coordinator will determine if the injured staff member is eligible for modified duties or responsibilities. This determination will be based on:

1. The workers' compensation physician's examination and evaluation report;
2. The injured staff member's capabilities to assume modified duties or responsibilities;
3. The availability of modified duties and responsibilities within the district at the time; and/or
4. Other issues that may impact the district's ability to assign modified duties and responsibilities.

### Family Leave

#### A. Introduction

The Board will provide family leave in accordance with the Federal Family and Medical Leave Act (FMLA) and the New Jersey Family Leave Act (NJFLA).

FMLA leave for eligible staff members shall be up to twelve weeks leave of absence in a twelve month period upon advance notice to the district for the birth of a son or daughter of the staff member and in order to care for such son or daughter; for the placement of a son or daughter with the staff member for adoption or foster care; in order to care for the spouse, son, daughter, or parent of the staff member if such spouse, son, daughter, or parent has a serious health condition; or for a serious health condition that makes the staff member unable to perform the functions of the position of such staff member, or because of any qualifying exigency arising out of the fact that the employee's spouse, son, daughter, or parent is a military member on active duty or call to covered active duty status (or has been notified of an impending call or order to covered active duty). In addition, eligible employees may take up to a combined total of twenty-six workweeks in a single twelve month period to care for a covered servicemember with a serious injury or illness.

NJFLA leave for eligible staff members shall be up to twelve weeks leave of absence in any twenty-four month period upon advance notice to the district so that a staff member may provide care made necessary by the birth of a child of the staff member, the placement of a child with the staff member in connection with adoption of such child by the staff member, and the serious health condition of a spouse, parent, or child.

#### B. Applicability

The Board will comply with requirements of the New Jersey and Federal Family Leave laws. The laws have similar and different provisions that may provide different rights and obligations for the staff member and/or the Board. The staff member shall be afforded the most favorable rights if there is a conflict in the rights afforded to the staff member under the two laws.

1. If the staff member is eligible for leave for reasons provided under the FMLA and NJFLA, then the time taken shall be concurrent and be applied to both laws.
2. The NJFLA provides twelve weeks leave in a twenty-four month period while the FMLA provides twelve weeks leave in a twelve-month period. A staff member is eligible for up to twelve weeks leave in the first twelve months of the twenty-four month period under the NJFLA. A staff member is eligible for up to twelve weeks leave in the second twelve-month period under the FMLA.

### Family Leave

3. In the event the reason for the family leave is recognized under one law and not the other law, the staff member is eligible for each law's leave entitlements within one twelve-month period. (Example: A staff member may use their FMLA leave for a twelve week family leave for their own pregnancy, which is considered a "serious health condition" under FMLA, and upon conclusion of the twelve week FMLA leave, the staff member would be eligible for a twelve week NJFLA leave to care for their newborn or any other reasons pursuant to the NJFLA.)

#### C. Definitions

1. Federal Family and Medical Leave Act (FMLA)

"Contingency operation" means a military operation that results in the call or order to, or retention on, active duty of members of the uniformed services during a war or during a national emergency declared by the President or Congress.

"Covered active duty" or "call to covered active duty" means duty during deployment of a member with the Armed Forces to a foreign country and, in the case of a member of the Reserve components of the Armed Forces, duty during the deployment of the member with the Armed Forces to a foreign country under a Federal call or order to active duty in support of a contingency operation.

"Covered servicemember" means a current member of the Armed Forces (including National Guard or Reserves), who is undergoing medical treatment, recuperation, or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list for a serious injury or illness; or a covered veteran undergoing medical treatment, recuperation, or therapy for a serious injury or illness.

"Covered veteran" means an individual who was a member of the Armed Forces (including National Guard or Reserves), discharged or released under conditions other than dishonorable at any time during the five-year period prior to the first date the eligible staff member takes FMLA leave to care for the covered veteran. For a veteran discharged prior to March 8, 2013, the effective date of the FMLA Final Rule, the period between October 28, 2009 and March 8, 2013 will not count towards the determination of the five-year period. 29 CFR § 825.127(b)(2)

"Military caregiver leave" means leave taken to care for a covered servicemember with a serious injury or illness under FMLA. 29 CFR §825.127

#### Family Leave

“Next of kin of a covered servicemember” means the nearest blood relative other than the covered servicemember's spouse, parent, son, or daughter, in the following order of priority: blood relatives who have been granted legal custody of the covered servicemember by court decree or statutory provisions, brothers and sisters, grandparents, aunts and uncles, and first cousins, unless the covered servicemember has specifically designated in writing another blood relative as his or her nearest blood relative for purposes of military caregiver leave under the FMLA. When no such designation is made, and there are multiple family members with the same level of relationship to the covered servicemember, all such family members shall be considered the covered servicemember's next of kin and may take FMLA leave to provide care to the covered servicemember, either consecutively or simultaneously. When such designation has been made, the designated individual shall be deemed to be the covered servicemember's only next of kin. For example, if a covered servicemember has three siblings and has not designated a blood relative to provide care, all three siblings would be considered the covered servicemember's next of kin. Alternatively, where a covered servicemember has a sibling(s) and designates a cousin as his or her next of kin for FMLA purposes, then only the designated cousin is eligible as the covered servicemember's next of kin. An employer is permitted to require an employee to provide confirmation of covered family relationship to the covered servicemember pursuant to 29 CFR §825.122(k). 29 CFR §825.127(d)(3)

“Outpatient status” means, with respect to a covered servicemember who is a current member of the Armed Forces, the status of a member of the Armed Forces assigned to either a military medical treatment facility as an outpatient; or a unit established for the purpose of providing command and control of members of the Armed Forces receiving medical care as outpatients. 29 CFR § 825.127(b)(1)

“Parent” means a biological, adoptive, step or foster father or mother, or any other individual who stood in loco parentis to the employee when the employee was a son or daughter as defined below. This term does not include parents “in law.”

“Parent of a covered servicemember” means a covered servicemember's biological, adoptive, step or foster father or mother, or any other individual who stood in loco parentis to the covered servicemember. This term does not include parents “in law.”

“Serious health condition” means an illness, injury, impairment, or physical or mental condition that involves inpatient care in a hospital, hospice, or residential medical facility or continuing treatment by a health care provider. “Serious health condition” may include treatment of substance abuse pursuant to 29 CFR §825.119.

#### D. Eligibility

##### 1. Federal Family and Medical Leave Act (FMLA)

A staff member shall become eligible for FMLA leave after he/she has been employed at least twelve months in this district and employed for at least 1250 hours of service during the twelve-month period immediately preceding the commencement of the leave. The twelve months the staff member must have been employed need not be consecutive months pursuant to 29 CFR §825.110(b). The minimum 1250 hours of service shall be determined according to the principles established under the Fair Labor Standards Act (FLSA) for determining compensable hours of work pursuant to 29 CFR §785. Entitlement to FMLA leave taken for the birth of a son or daughter or placement of a son or daughter with the staff member for adoption or foster care shall expire at the end of the twelve-month period beginning on the date of such birth or placement.

Pursuant to 29 CFR §825.201, a husband and wife both employed by the district are limited to a combined total of twelve weeks of leave during the twelve-month period if the leave is taken for the birth of a son or daughter of the staff member or to care for such son or daughter after birth; for placement of a son or daughter with the staff member for adoption or foster care or in order to care for the son or daughter after placement; or to care for the staff member's parent with a serious health condition.

The method to determine the twelve-month period in which the twelve weeks of FMLA leave entitlement occurs will be the twelve-month period measured forward from when the staff member's first leave begins.

A staff member during any period of FMLA leave is prohibited from performing any services on a full-time basis for any person for whom the staff member did not provide services immediately prior to commencement of the leave. A staff member using FMLA leave may commence part-time employment that shall not exceed half the regularly scheduled hours worked for the district. The staff member may continue the part-time employment that commenced prior to the FMLA leave at the same number of hours that the staff member was regularly scheduled prior to such leave.

#### 2. New Jersey Family Leave Act (NJFLA)

A staff member shall become eligible for NJFLA leave after he/she has been employed at least twelve months in this district for not less than 1,000 base hours, excluding overtime, during the immediate preceding twelve month period. The calculation of the twelve-month period to determine eligibility shall commence with the commencement of the NJFLA leave. NJFLA leave taken for the birth or adoption of a healthy child may commence at any time within a year after the date of the birth or placement for adoption.

The district shall grant a family leave under NJFLA to more than one staff member from the same family (for example, a husband and a wife, or a brother and a sister) at the same time, provided such staff members are otherwise eligible for the leave. N.J.A.C. 13:14-1.12

#### Family Leave

A staff member during any period of the NJFLA leave is prohibited from performing any services on a full-time basis for any person for whom the staff member did not provide services immediately prior to commencement of the leave. A staff member on NJFLA leave may commence part-time employment that shall not exceed half the regularly scheduled hours worked for the district. The staff member may continue the part-time employment that commenced prior to the NJFLA leave at the same number of hours that the staff member was regularly scheduled prior to such leave.

The method to determine the twenty-four month period in which the twelve weeks of NJFLA leave entitlement occurs will be the twenty-four month period measured forward from when the staff member's first leave begins.

#### E. Types of Leave

##### 1. Federal Family and Medical Leave Act (FMLA)

A staff member may take FMLA leave to include servicemember qualifying exigency leave or military caregiver leave in consecutive weeks, as intermittent leave, or as reduced leave. A staff member who requests intermittent or reduced leave shall make a reasonable effort to schedule such leave so as not to unduly disrupt the instructional/educational program.

- a. Leave for the birth of a son or daughter or placement of a son or daughter with the staff member for adoption or foster care may not be taken by a staff member intermittently or on a reduced leave schedule.
- b. Leave may be taken intermittently or on a reduced leave schedule when medically necessary for planned and/or unanticipated medical treatment of a related serious health condition by or under the supervision of a health care provider, or for recovery from treatment or recovery from a serious health condition.
- c. Intermittent leave means leave scheduled for periods of time from one hour or more to several weeks; however, the total time within which the leave is taken can not exceed a twelve month period for each serious health condition episode. Intermittent leave may be taken for a serious health condition that requires periodic treatment by a health care provider, rather than one continuous period of time. Intermittent leave may also be

taken for absences where the staff member is incapacitated or unable to perform the essential functions of the position because of a serious health condition even if the staff member does not receive treatment by a health care provider. If intermittent leave is approved, the staff member shall make a reasonable effort to schedule intermittent leave so as not to unduly disrupt the operations of the instructional/educational program.

- d. Reduced leave means leave scheduled for fewer than the staff member's usual number of hours worked per workweek, but not fewer than a staff member's usual number of hours worked per workday, unless otherwise agreed to by the staff member and the district. A staff member is entitled, at the option of the staff member, to take leave on a reduced leave schedule not exceeding twenty-four consecutive weeks. The staff member shall make a reasonable effort to schedule reduced leave so as not to unduly disrupt the operations of the instructional/educational program. The staff member shall provide the district prior notice of the care, medical treatment or continuing supervision by a health care provider necessary due to a serious health condition of a family member in a manner that is reasonable and practicable. Leave taken on a reduced leave schedule shall not result in a reduction of the total amount of leave to which a staff member is entitled.
- e. The fact that a holiday may occur within the week taken by a staff member as Family Leave has no effect and the week is counted as a week of Family Leave. However, if the staff member is out on Family Leave and the school district is closed and the staff member would not be expected to report for work for one or more weeks, the weeks the school district is closed for this staff member do not count against the staff member's family leave entitlement.

Any leave time remaining after a staff member has exhausted his/her entitlement to intermittent leave in any twelve month period may be taken as consecutive leave or reduced leave, and any leave time remaining after a staff member has exhausted his/her entitlement to reduced leave in any twelve month period may be taken as consecutive leave or intermittent leave.

- f. Servicemember qualifying exigency leave may arise out of the foreign deployment of the staff member's spouse, child, or parent 29 CFR §§825.122 and 126:

### 2. New Jersey Family Leave Act (NJFLA)

A staff member may take NJFLA leave in consecutive weeks, as intermittent leave, or as reduced leave. A staff member who requests intermittent or reduced leave shall make a reasonable effort to schedule such leave so as not to unduly disrupt the instructional/educational program. The district shall not require a staff member to take a leave of absence beyond the period of time the staff member requests family leave. N.J.A.C. 13:14-1.5(f)

- a. In the case of a family member who has a serious health condition, leave may be taken intermittently when medically necessary. The total time within which the leave is taken, can not exceed a twelve-month period for each serious health condition episode. The staff member will provide the district with prior notice of the leave in a manner which is reasonable and practicable; and the staff member shall make a reasonable effort to schedule the leave so as not to unduly disrupt the operations of the instructional/educational program. In the case of the birth or adoption of a healthy child, the leave may be taken intermittently only if agreed to by the staff member and the district.
- b. Reduced leave means leave scheduled for fewer than the staff member's usual number of hours worked per workweek, but not fewer than a staff member's usual number of hours worked per workday, unless otherwise agreed to by the staff member and the district. A staff member is entitled, at the option of the staff member, to take leave on a reduced leave schedule for a period not exceeding twenty-four consecutive weeks. The staff member is not entitled to take the leave on a reduced leave schedule without an agreement between the staff member and the district if the leave is taken for the birth or adoption of a healthy child. The staff member shall make a reasonable effort to schedule reduced leave so as not to unduly disrupt the operations of the instructional/educational program. The staff member shall provide the district prior notice of the care, medical treatment or continuing supervision by a health care provider necessary due to a serious health condition of a family member in a manner that is reasonable and practicable. #### F. Notice

##### 1. Federal Family and Medical Leave Act (FMLA)

- a. Foreseeable Leave - A staff member eligible for FMLA leave must give at least a thirty day written advance notice to the Human Resources and Personnel Services Department if the need for the leave is foreseeable based on an expected birth, placement for adoption of foster care, or planned medical treatment for a serious health condition of the staff member or a family member. If thirty days is not practical, the staff member must provide notice "as soon as practicable" which means as soon as both possible and practical, taking into account all the facts and circumstances in the individual case. For foreseeable leave where it is not possible to give as much as thirty days notice "as soon as practical" ordinarily would mean at least verbal notification to the Human Resources and Personnel Services Department within one or two business days or when the need for leave becomes known to the staff member. The written notice shall include the reasons for the leave, the anticipated duration of the leave and the anticipated start of the leave.

When planning medical treatment, the staff member must consult with the supervisor and make a reasonable effort to schedule the leave so as not to unduly disrupt the educational program, subject to the approval of the health care provider. Staff members are ordinarily expected to consult with the supervisor prior to scheduling of treatment that would require leave for a schedule that best suits the needs of the district and the staff member.

The district may delay the staff member taking leave for at least thirty days if the staff member fails to give thirty days notice for foreseeable leave with no reasonable excuse for the delay.

- b. Unforeseeable Leave - When the approximate timing of the need for leave is not foreseeable, a staff member should give notice to the supervisor for leave as soon as practicable under the facts and circumstances of the particular case. It is expected the staff member will give notice to the Human Resources and Personnel Services Department within no more than one or two working days of learning of the need for leave, except in extraordinary circumstances where such notice is not foreseeable. The staff member should provide notice to the employer either in person or by telephone, telegraph, facsimile machine or other electronic means.
2. New Jersey Family Leave Act (NJFLA)
- a. Foreseeable Leave - A staff member eligible for NJFLA leave must give at least a thirty day advance written notice to the Human Resources and Personnel Services Department of the need to take family leave except where the need to take family leave is not foreseeable.
    - (1) Notice for leave to be taken for the birth or placement of the child for adoption shall be given at least thirty days prior to the commencement of the leave, except that if the date of the birth or adoption requires leave to begin in less than thirty days, the staff member shall provide such notice that is reasonable and practicable.
    - (2) Notice for leave to be taken for the serious health condition of a family member shall be given at least fifteen days prior to the commencement of leave, except that if the date of the treatment or supervision requires leave to begin in less than fifteen days, the staff member shall provide such notice that is reasonable and practicable.
    - (3) When the supervisor is not made aware that a staff member was absent for family leave reasons and the staff member wants to request the leave be counted as family leave, the staff member must provide timely notice within two business days of returning to work to have the time considered for family leave in accordance with the Family Leave Act.

Whenever emergent circumstances make written notice impracticable, the staff member may give verbal notice to the supervisor, but any verbal notice must be followed by written notice delivered within five business days.

#### G. Leave Designation

An eligible staff member shall designate FMLA or NJFLA leave upon providing notice of the need for the leave or when the need for leave commences. The Human Resources and Personnel Services Department shall provide the staff member with this Policy to assist the staff member in determining the type of leave.

#### H. Benefits

Whether a staff member is required to use sick time or any other accrued leave time concurrent with FMLA or NJFLA leave time will depend upon either the district's practice or a provision in the district's collective bargaining agreement, if applicable. 29 CFR §825.100

The Board will maintain coverage under any group health insurance policy, group subscriber contract, or health care plan at the level and under the conditions coverage would have been provided if the staff member had continued to work instead of taking the leave. If the staff member was paying all or part of the premium payments prior to the leave, the staff member would continue to pay his/her share during the leave time. Any ten month staff member who is on leave under NJFLA or FMLA at the end of the school year will be provided with any benefits over the summer that the staff member would normally receive if they had been working at the end of the school year.

#### I. Returning from Leave

The Federal Family and Medical Leave Act and/or the New Jersey Family Leave Act

A staff member returning from leave shall be entitled to the position he/she held when leave commenced or to an equivalent position of like seniority, status, employment benefits, pay and other conditions of employment. member not been on family leave as a result of the reduction in force or pursuant to the good faith operation of a bona fide layoff and recall system including a system under any collective bargaining agreement, the staff member shall be entitled to reinstatement to the former or an equivalent position in accordance with applicable statutes, codes, and laws. The staff member's tenure and seniority rights, if any, and other benefits shall be preserved, but the staff member shall accrue no additional time toward tenure or seniority for the period of the leave, except as may be provided by law.

The return of a staff member prior to the expiration of the requested family leave may be permitted by the Board if the return does not unduly disrupt the instructional program or require the Board to incur the cost of continuing the employment of a substitute under contract.

The Board may, in accordance with the provisions of 29 CFR §825.312 delay restoration of employment of a staff member using FMLA leave for the staff member's serious health condition until the staff member submits a fitness-for-duty examination from his/her health care provider indicating that the staff member is able to resume work. In the event the Board requires such a fitness-for-duty examination before restoration of the staff member after leave, the Board will provide the staff member specific notice either at the time the staff member gives notice of the need for leave or immediately after the leave commences and the staff member advises the Board of the medical circumstances for the leave.

If leave is taken under FMLA, and the staff member does not return to work after the leave expires, the Board is entitled to recover health insurance costs paid while the staff member was on FMLA. The Board's right to recover premiums would not apply if the staff member fails to return to work due to:

1. The continuation, onset or recurrence of a serious health condition of the staff member; or
2. Circumstances beyond the staff member's control.

#### J. Ineligible Staff Members

1. Federal Family and Medical Leave Act (FMLA)

The district may deny job restoration after FMLA leave if the staff member is a "key employee" as defined in 29 CFR §825.217 if such denial is necessary to prevent substantial and grievous economic injury to the district or the district may

delay restoration to a staff member who fails to provide a fitness for duty certificate to return to work for leave that was the staff member's own serious health condition. A "key employee" is a salaried, staff member who is among the highest paid ten percent of the school district staff employed by the district within 75 miles of the worksite. No more than ten percent of the school district staff within 75 miles of the worksite may be "key employees."

In the event the Board of Education believes that reinstatement may be denied to a key employee, the Board of Education must give written notice to the staff member at the time the staff member gives notice of the need for leave, or when the need for leave commences, if earlier, that he/she qualifies as a key employee. The key employee must be fully informed of the potential consequences with respect to reinstatement and maintenance of health benefits if the district should determine that substantial and grievous economic injury to the district's operations will result if the staff member is reinstated from leave. The district's notice must explain the basis for the district's finding that substantial and grievous economic injury will result, and if leave has commenced, must provide the staff member a reasonable time in which to return to work. If the staff member on leave does not return to work in response to the notice of intent to deny restoration, the staff member continues to be entitled to maintenance of health insurance.

A key employee's rights under the FMLA continue unless and until the staff member either gives notice that he/she no longer wishes to return to work or the district actually denies reinstatement at the conclusion of the leave period. A staff member is still entitled to request reinstatement at the end of the leave period even if the staff member did not return to work in response to the district's notice. The district will then again determine whether there will be substantial and grievous economic injury from reinstatement based on the facts at that time. If it is determined that substantial and grievous economic injury will result, the district will notify the staff member in writing (in person or by certified mail) of the denial of the restoration.

#### 2. New Jersey Family Leave Act

The district may deny family leave to the staff member if the staff member is a salaried employee who is among the highest paid five percent of the school district staff or one of the seven highest paid employees of the district, whichever

If the leave has already commenced at the time of the district's notification of denial, the staff member shall be permitted to return to work within ten working days of the date of notification.

#### K. Verification of Leave

##### 1. Federal Family and Medical Leave Act (FMLA)

The Board requires a staff member's FMLA leave to care for the staff member's seriously ill spouse, son, daughter, or parent; or for a servicemember's qualifying exigency or serious injury; or for illness due to the staff member's own serious health condition, that makes the staff member unable to perform one or more of the essential functions of the staff member's position, be supported by a certification issued by the health care provider of the staff member or the staff member's ill family member. The medical certification required encompasses both physical and psychological care and includes situations where a family member is unable to care for his/her own basic medical, hygienic, or nutritional needs or safety, or is unable to transport himself/herself to the doctor. It can also include providing psychological comfort and reassurance beneficial to a child, spouse, or parent with a serious health condition who is receiving inpatient or home care and can include situations where the staff member may be needed to substitute for others who normally care for the family member or covered servicemember or to make arrangements for changes in care. The staff member need not be the only individual or family member available to care for the family member or covered servicemember. 29 CFR §825.124

The certification must meet the requirements of 29 CFR §§825.306, 309, and 310 to include: which part of the definition of "serious health condition" applies; the approximate date the serious health condition commenced and its probable duration; whether it will be necessary for the staff member to take intermittent and/or reduced leave; whether the patient is presently incapacitated and the likely duration and frequency of episodes of incapacity; if additional treatments will be required for the condition; and/or if the patient's incapacity will be intermittent or will require reduced leave. The certification of a serious health condition of a family member of the staff member shall be sufficient if it states the date on which the condition commenced, the probable duration of the condition, and the medical facts within the provider's knowledge regarding the condition. Certification for the birth or placement of a child need only state the date of birth or date of placement.

In the event the Human Resources and Personnel Services Department doubts the validity of the certification, in accordance with 29 CFR §825.307, the district may require, at the district's expense, the staff member obtain an opinion regarding the serious health condition from a second health care provider designated by the district, but not employed on a regular basis by the district. If the second opinion differs from the staff member's health care provider, the district may require, at the district's expense, the staff member obtain the opinion of a third health care provider designated by the district or approved jointly, in good faith, by the district and the staff member. The opinion of the third health care provider shall be final and binding on the district and the staff member.

The district may require re-certification pursuant to the requirements of 29 CFR §825.308. In accordance with 29 CFR §825.309, the staff member on leave must provide a written report to the Human Resources and Personnel Services Department every thirty workdays. The report shall include the staff member's status and intended date to return to work. In the event the staff member's circumstances change, the staff member must provide reasonable notice to the Human Resources and Personnel Services Department if the staff member intends to return to work on a date sooner than previously noticed to the district. The staff member is not required to take more leave than necessary to resolve the circumstance that precipitated the need for leave. As a condition of returning to work after the leave for the staff member's own serious health condition, and in accordance with 29 CFR §825.310, the district requires a staff member to provide a certification from their health care provider that the staff member is able to resume work.

In accordance with 29 CFR §825.311, the district may delay the taking of FMLA leave to a staff member who fails to provide certification within fifteen days after being requested to do so by the district. In accordance with 29 CFR §825.312, the district may delay the taking of leave until thirty days after the date the staff member provides notice to the district of foreseeable leave or the district may delay continuation of leave if a staff member fails to provide a requested medical certification in a timely manner.

#### 2. New Jersey Family Leave Act

The Board shall require the certification of a duly licensed health care provider verifying the purpose of requested NJFLA leave. Certification of a serious health condition of a family member of the staff member shall be sufficient if it states

the date on which the condition commenced, the probable duration of the condition, and the medical facts within the provider's knowledge regarding the condition. Certification for the birth or placement of a child need only state the date of birth or date of placement, whichever is appropriate.

In the event the Human Resources and Personnel Services Department doubts the validity of the certification for the serious health condition of a family member of the staff member, the district may require, at the district's expense, the staff member to obtain an opinion regarding the serious health condition from a second health care provider designated or approved, but not employed on a regular basis, by the district. If the second opinion differs from the certification the district may require, at the district's expense, that the staff member obtain the opinion of a third health care provider designated or approved jointly by the district and the staff member concerning the serious health condition. The opinion of the third health care provider shall be final and binding on the district and the staff member.

#### L. Interference with Family Leave Rights

The Federal Family and Medical Leave Act and the New Jersey Family Leave Act prohibit interference with a staff member's rights under the law, and with legal proceedings or inquiries relating to a staff member's rights. Unless permitted by the law, no staff member shall be required to take family leave or to extend family leave beyond the time requested. A staff member shall not be discriminated against for having exercised his/her rights under the Federal Family and Medical Leave Act or the New Jersey Family Leave Act nor discouraged from the use of family leave.

#### M. Non-Tenured Staff Member

Family leave granted to a nontenured staff member cannot extend the staff member's employment beyond the expiration of his/her employment contract.

#### N. Record Keeping

In order that staff member's entitlement to FMLA leave and NJFLA leave can be properly determined, the Superintendent shall ensure the keeping of accurate attendance records that distinguish family leave from other kinds of leave. The Superintendent will publish a notice explaining the Act's provisions and provide information concerning the procedures for filing complaints of violations of the FMLA and NJFLA.

New Jersey's Family Leave Insurance Program

### 4431.3 NEW JERSEY'S FAMILY LEAVE INSURANCE PROGRAM

Board of Education employees are eligible to apply for benefits under New Jersey's Family Leave Insurance Program administered by the State of New Jersey – Department of Labor and Workforce Development. New Jersey's Family Leave Insurance Program (NJFLI) may provide up to six weeks of family leave insurance benefits payable to covered employees from either the New Jersey State Plan or an approved employer-provided private plan.

A benefit provided through the NJFLI will be for the employee to bond with a child during the first twelve months after the child's birth, if the covered individual or the domestic partner or civil union partner of the covered individual is a biological parent of the child, or the first twelve months after the placement of the child for adoption with the covered individual. An employee who intends to apply to the State of New Jersey for benefits under this provision of the NJFLI must provide the Superintendent of Schools written notice thirty calendar days prior to beginning the leave. Failure to provide this thirty-day notice may result in a reduction in the employee's maximum family leave insurance benefits. Intermittent leave to bond with a newborn or newly adopted child must be agreed to by the Superintendent of Schools and the employee and, if agreed to, must be taken in periods of seven days or more.

A benefit provided through the NJFLI will also be to care for a family member with a serious health condition supported by a certification provided by a health care provider. An employee who intends to apply to the State of New Jersey for benefits under this provision of the NJFLI for consecutive leave must provide the school district reasonable and practical notice unless the time of the leave is unexpected or the time of the leave changes for unforeseen reasons. An employee who intends to apply for benefits under this provision of the NJFLI for intermittent leave must provide the school district with a written notice at least fifteen calendar days prior to beginning the leave.

For the purposes of this Policy, "family member" means a child, spouse, domestic partner, civil union partner, or parent of a covered individual. "Child" means a biological, adopted, or foster child, stepchild, or legal ward of a covered individual, child of a domestic partner of the covered individual, or child of a civil union partner of the covered individual, who is less than nineteen years of age or is nineteen years of age or older but incapable of self-care because of mental or physical impairment.

### New Jersey's Family Leave Insurance Program

All applications for benefits under the NJFLI must be filed directly with the State of New Jersey – Department of Labor and Workforce Development. The eligibility requirements, wage requirements, benefit duration and amounts, and benefit limitations shall be in accordance with the provisions of the NJFLI as administered by the State of New Jersey – Department of Labor and Workforce Development. A formal appeal may be submitted to the State of New Jersey – Department of Labor and Workforce Development if an employee or the Board disagrees with a determination on a claim.

The NJFLI provides eligible individuals a monetary benefit and not a leave benefit. In addition, the school district administrative and related staff will comply with the State of New Jersey - Department of Labor and Workforce Development requests for information in accordance with the provisions of N.J.A.C. 12:21-3.9.

The Board may elect to provide employees with Family Leave Insurance benefits coverage under a private plan which must be approved by the State of New Jersey – Department of Labor and Workforce Development.

A printed notification of covered individuals' rights relative to the receipt of benefits under the NJFLI will be posted in each of the school district worksites and in a place or places accessible to all employees at the worksite. Each employee shall receive a copy of this notification in writing at the time of the employee's hiring, whenever the employee provides written notice to the Superintendent of their intention to apply for benefits under the NJFLI, or at any time upon the first request of the employee. The written notification may be transmitted to the employee in electronic form.

Sick Leave

#### 4432 SICK LEAVE

The Board of Education shall grant sick leave, in accordance with law, to support staff members absent from work because of personal disability or quarantine. Each steadily employed employee eligible for sick leave will be entitled annually to the number of paid sick leave days negotiated with the employee's majority representative or provided in this policy or in an individual contract with the Board.

The Board reserves the right to require of any employee who claims sick leave sufficient proof, including a physician's certification, of the employee's illness or disability. As a minimum, no day will be considered to be a sick leave day on which the employee has engaged in or prepared for other gainful employment, has participated in a work stoppage, or has engaged in any activity that would raise doubts regarding the validity of the sick leave request.

The Superintendent will prepare rules for the administration of the Board's policy on sick leave, which shall be binding on all employees.

The Superintendent will submit to the Board the names of those employees absent for non-compensable cause or whose claim for sick leave pay cannot be justified. The willful misuse of sick leave will be considered a serious infraction and is subject to discipline.

Anticipated Disability

### 4435 ANTICIPATED DISABILITY

The Board of Education shall provide for leaves of absence, in accordance with law and the policies of this Board, for any employee of this district not otherwise covered by the terms of the negotiated agreement whose absence from duties will be required for a foreseeable event of disability such as childbirth or surgery.

An employee who anticipates disability shall so notify the Superintendent as soon as the employee is under medical supervision for the condition and a date is projected for the anticipated disability. Because of the potentially disabling nature of pregnancy and the certainty of temporary disability at parturition, the Board will presume that a pregnant employee is disabled for work thirty days before the anticipated date of childbirth and continues to be disabled for thirty days after parturition, except that any such employee who presents medical certification of her fitness may continue to work until she is actually disabled and may return to work as soon as she is able.

The Board reserves the right to require an employee who requests an extended leave of absence that includes anticipated disability to commence and/or terminate the leave at times that ensure continuity in district operations. Whenever possible, partial year leaves of absence will begin and end at divisions in the academic calendar and will cause not more than one interruption in employment continuity during the school year in which the leave is taken. No person who is required to take leave at a time other than that requested will be denied the use of sick leave for the anticipated disability that occurs or is presumed to occur during the leave.

An employee who anticipates a disability may request a leave of absence to commence before disability and to extend beyond the period of disability. Any such request shall be subject to Board discretion and the Board's policy on leave of absence. An employee on voluntary leave of absence is not eligible for sick leave pay for disability occurring during the period of that absence.
