Dear Parent/Guardian:

The Franklin Township Board of Education has purchased insurance coverage to protect all participants in interscholastic athletics against accidental injury. Coverage is provided not only for interscholastic athletes, but also for equipment managers, cheerleaders, twirlers, band members, flag wavers and for school sponsored and supervised trips. ***This coverage is only for injuries incurred and that are directly related to these activities.***

PLEASE NOTE: The **athletic plan** is *excess* over any other medical insurance you may have. Thus, **PARENTS MUST USE THEIR OWN MEDICAL INSURANCE FIRST**. This policy will then pick up medical bills not covered by the parent's primary medical insurance, up to the limits in the policy.

Although this coverage is very broad, there are restrictions, limitations and exclusions in this policy. A separate student accident insurance plan is also available from Bollinger Insurance on a voluntary basis with two options: Option A offers school time only protection; Option B offers 24-hour round-the-clock protection. The **voluntary student accident plan** is primary regardless if the parents have their own insurance coverage.

Please report any injuries **immediately** to your son/daughter's coach or faculty advisor. Insurance forms can be found at [www.BollingerSchools.com](http://www.BollingerSchools.com). It is the parents' responsibility to obtain all forms and medical bills and submit them to the insurance company. For questions regarding the policy coverage or specific claims, please call Bollinger Insurance toll free at 1-800-526-1379.

Sincerely,

Jonathan Toth
