

# Franklin Middle School Supply List

Please keep in mind this is a list of common supplies many teachers request. During the first few days of school a list of supplies needed by your child's teacher will be sent home based upon her/his specific classroom needs. We are sending this list out in advance because we want you to be able to take advantage of all the summer sales for common school supplies. Even if your child doesn't need some of the items at school your student might need them at home to complete their homework. Please keep all receipts in the event you need to return any items.
