Achievements toward Annual Goals and Special Projects

By June 2021, third, fourth, and fifth-grade students shall meet the annual progress targets as measured by the NJSLA in Language Arts Literacy.

1. Staff will continue grade-level meetings to discuss and plan for successful practices in the areas of literacy working collaboratively with the administration and the literacy coach in their examination of the Student Learning Standards, the district's diagnostic measures, and district and building goals in the area of Language Arts/Literacy.

2. Pre-Kindergarten to Grade Five staff will participate in data action meetings and inter-disciplinary professional learning communities. Data meetings will afford teachers the opportunity to identify additional interventions to support the teaching of reading and writing. Interdisciplinary meetings will allow teachers to more closely examine the culture and climate of Claremont Elementary.
3. The administration has implemented “Look-Fors” in the area of language arts/literacy including, but not limited to:
 - Teaching Point posted which focuses on instructional strategy rather than activity
 - Desks clustered in groups of four to six to facilitate collaborative work
 - Reader’s Response Journals for Grades 3, 4 and 5
 - Partners clearly established and identified
 - Evidence of on-going conferring systems
 - Classroom Library that is 1/3 leveled and 2/3 genre/themed/author based
 - On-going use of Personalized Writer’s Notebook
 - Continual maintenance and deliberate use of word walls

These “Look-Fors” will be monitored through formal and informal walk-throughs.

4. Kindergarten through Grade 5 staff will administer diagnostic assessments and regularly evaluate outcomes to identify specific domains, skills and sub-skills that students exceed or need intervention to provide daily, individualized, differential opportunities for all students in Language Arts/Literacy.
5. For 2020-2021 administration will conduct monthly informal walk-throughs as a mechanism for providing constructive feedback to teachers of reading to establish and/or embellish balanced literacy environments within each classroom.

By June 2021, third, fourth and fifth-grade students shall meet the annual progress targets as measured by the NJSLA in Mathematics.

1. The staff will continue their grade level meetings to further dialogue their successful practices in the areas of math working collaboratively with administration and the mathematics coach in their examination of the Student Learning Standards, Mathematical Practices, the Math Workshop model, Reciprocal teaching, district diagnostic assessments, and the Bridges series, K-2.
2. Kindergarten to Grade Five staff will participate in data action meetings and inter-disciplinary professional learning communities. Data meetings will afford

teachers the opportunity to identify additional interventions to support the teaching of reading and mathematics. Interdisciplinary meetings will allow teachers to more closely examine the culture and climate of Claremont Elementary School.

3. The administration has implemented “Look-Fors” in the area of mathematics inclusive of:
 - Math Journals for Grades K through 5
 - Math manipulatives labeled and accessible
 - Adjustment of Math Workshop Block to allow for 20-minute small group
 - Math word wall accessible and updated for the current unit as defined within Rubicon
 - Evidence of on-going conferring system

These “Look-Fors” will be monitored through formal and informal walk-throughs.

4. Kindergarten through Grade 5 staff will administer diagnostics assessments and regularly evaluate outcomes to identify specific domains, skills, and sub-skills that students exceed or need intervention so as to provide daily, individualized, differential opportunities for all students in Math.
5. For 2020-2021 administration will conduct monthly walk-throughs as a mechanism for providing constructive feedback to teachers of math to establish and/or embellish math workshop environments within each classroom.

III. SPECIAL ACHIEVEMENTS

Month of May FPS Spirit Days continued each Wednesday throughout the month of May. Students and staff participated by wearing their favorite cartoon character shirt or dressing like a cartoon character for National Cartoonist Day. On May Ray Day, everyone wore their favorite Spring shirt to welcome the sunshine and begin preparing for Summer. During the last week of the month the staff and students dressed in red, white and blue to celebrate the upcoming holiday, Memorial Day, remembering those military personnel who have lost their lives in the performance of their military duties. Grade 5 students were given the opportunity to create their own yearbook cover. After reviewing all of the cover options submitted, Kayla Charles was selected as the winner. Her cover design will be used for the 2020-2021 school yearbook.

May 3-7 During Teacher Appreciation Week the FPS Admin team joined with the PTO to celebrate the teachers by showering them with a variety of gifts and treats to make them feel special and show them just how much they are appreciated.

May 6 On National Nurses' Day we honored our school nurse, Nancy Kusmick-Vega, with cards, flowers and lunch for all her hard work and dedication to keeping the FPS staff and students healthy and safe throughout the year during an especially difficult year with covid-19.

May 11 At our May PTO meeting there was a guest speaker, Lori Hoff, who shared ways we can all deal with fear and anxiety and help our children prepare for their return to school. There were also raffles and prize giveaways for those in attendance.

May 20 FPS hosted their first Virtual Literacy Night, which was organized as a family fun night for FPS students. The evening consisted of storytelling with finger puppets, Bingo, Scattergories, and many other reading and literacy activities to engage the children. It was a great night of learning and fun!

Stretching Higher 2021

School Activities

Stretching Higher Tutorial Program

- Our Stretching Higher Tutorial Program continues to provide social, emotional, and academic support to improve student outcomes for our remote and in-person learners.

iReady Incentive Contest

- This month we recognized students who have achieved Milestone Recognition status (20-200 plus lessons) in reading or mathematics. Students were also recognized for improvement and completing the highest number of lessons in May.

Staff Appreciation Week.

- Our staff was honored with all kinds of treats, including snacks, lunch, desserts, goodies, and gifts for their special week! Many thanks to our wonderful PTO, who too are much appreciated! Students also joined in with sending special messages to their teachers.

National School Nurse Day - May 12th

- Nurse Titi Ashiavor has done a phenomenal job of adapting her practice to respond to our new health and safety protocols. Her proactive research, communication, flexibility, and responsiveness have created a learning and work environment where students, staff, and families can trust that we operate using current safety guidelines; and know that concerns are expeditiously addressed and resolved.

Memory Padlet

- MacAfee Road School staff and parents are adding pictures from events and experiences this year to include in our 2020-2021 Yearbook.

Bus Evacuations

- Bus evacuations drills were held on May 12, 2021.

May is Heritage Month at MacAfee Road School

- We celebrated Asian Pacific American Heritage, Jewish American Heritage, and Haitian Heritage Month during our morning announcements. The students highlighted the achievements, contributions, and influences of each group.

PBIS FUNdraiser Board and Brush

- PBIS arranged a virtual DIY Workshop where students created awesome board projects with friends and families on a Zoom call! Students selected a wood project from the available options and PBIS prepped their project and provided them with all the materials they needed. It was a great evening of family engagement fun.

Teacher and ESP of the Year

- A special virtual celebration was held for our Teacher of the Year, Kate Freeman, and our Education Support Professional of the Year, Louise Velez. Students, staff, and families of our honorees attended this wonderful tribute for two incredible MacAfee staff members. Congratulations to them both!

MacAfee Road School Student Morning Announcement Team

- We applauded our student morning announcers for their creative and informative presentations. A special thank you to Ms. Franzi for her video editing magic and our parents, who serve as the on-location film crew. An exceptional job by all. Morning Announcements are available for viewing on our school website.
