ACT-SO AWARDS

Olivia Mendez is currently a Senior at FHS and is enrolled in the Aspects of Video Program where she has excelled in the last two years. She is currently taking Aspects of Film and Video Honors better known around the school as WANT-TV where she is a producer for many of the weekly episodes. Mr

Pinnix, her video teacher, noticed her passion and commitment to the program and recommended her to compete in the NAACP ACT-SO program where he served as her mentor and coach. Her video Escape earned her a Silver Award at this year's State's Competition in the category of Filmmaking. Olivia will be attending Temple University studying Film and Television in the fall.

Somerset County Teen Arts Festival - Art

Daisy Freeman is an incredibly creative and talented visual arts student who has demonstrated excellence in a variety of art courses over her past three years at FHS. It was no surprise to anyone in the Art Department that her work was selected to be exhibited at the State level. We are very proud of her accomplishments and look forward to seeing the artwork she produces in her senior year.

Congratulations, Daisy!

Ultimate Warriors Club welcomes all athletes and students wishing to create a better bond amongst teammates, promote FHS Athletics, and enhance school spirit. They have worked on several events within the school community as well as the FHS Athletic Department. Students have assisted at Freshman Orientation, Safe Halloween, helped plan PEP rallies, supported fellow athletes at games, tournaments, and Senior nights, assisted the Booster Club at the concession stand, assisted the Preschool class in PE, as well as engaging in team building, problem solving, and leadership activities during their meetings.

The Captain's Leadership Council includes student athletic captains as identified by coaches. Student Council representatives and Fall captains planned and organized a student led Pep Rally to kick off the Fall sports. CLC is often called upon to relay messages to their team about important events, such as coordinating the teams at Pep rallies, volunteering for various community service efforts, NJSIAA Officials Appreciation week, Holiday cheer to recognize staff in the building, organizing their team to attend and support athletic events, and they also attended an NJSIAA symposium focusing on Athletes and Opioids.
