The Mission of the FHS Band Parents Association

To support the continuation and advancement of music education in the Franklin Township school system; by providing supplementary funding and assistance to the Franklin High School Band, Marching Band, Color Guard, Winter Guard, and Indoor Percussion programs through donations and fundraising activities.

What Those Leaders and Volunteers Really Did

“I showed up to help with band camp and Lana Fuller quickly put me to work in the kitchen prepping food for breakfast and lunch during band camp week.”

We supplied students with water and snacks during their home and away games and during band competitions.

We ran the concession stand and fixed uniforms.

We chaperoned the students and kept them safe.

Hosted and prepare logistics for band camp program.

We moved equipment
unloading/loading from truck
during performances/competitions
and games.

What Those Leaders and Volunteers Really Did - Fundraising

We put money towards props and supplies that are needed for the marching bands competitions.

We also purchased a new Kubota to replace the marching bands worn out golf cart.

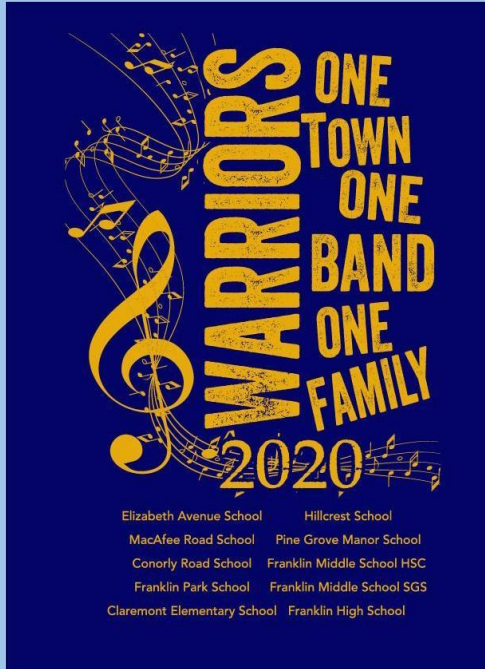

The organization offers band scholarships to the graduating seniors.

What did you accomplish?

We were able to work together with all the band teachers and volunteers to create and pull off the first district wide band concert.

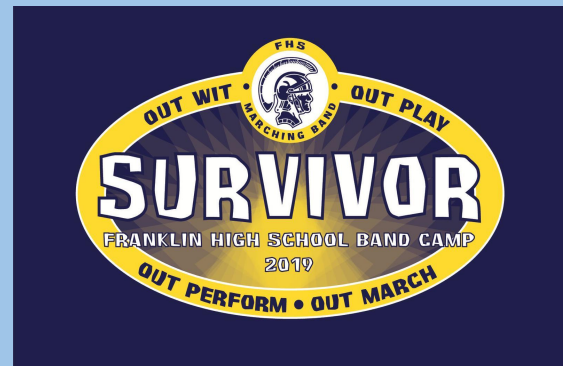

Bringing together the elementary school bands, the middle school, and the high school.

The BPA supplied the funds, volunteers and donations needed for this concert.

We bought new band uniforms, helped with new concessions and temporary tent donations, reestablishing 501C status, expanded volunteers.

What did you accomplish?

The highlight was the year the won the Metlife Regional championship against a lot of other extremely competitive schools. Franklin Marching Band crushed it and placed 1 st (at 12:30a!)

My most memorable experience was our band trip to Disney. I really wanted to chaperone this trip and see my daughter and the band marching in the Disney parade. I had never been on an airplane before in my life. All the chaperones and students kept telling me everything was going to be fine and that I would enjoy it. Thanks to the support of my Marching Band Family I got over my fear of flying.

A Mutual Fan Club

I hold the members of the FHS BPA in the highest esteem. The members of the FHS BPA are some of the most generous, thoughtful, and caring people that I have had the pleasure to work with in Franklin. Their selflessness and passion for the students' success are truly inspiring. - Daniel Berz

The dedication of the Music department teachers and staff is outstanding! They deserve the credit for providing our students with an exceptional program.- FHSBPA
