SUBJECT: Reimbursement of Nonpublic School Transportation Costs

In accordance with NJSA 18A:39-1a, your school district is entitled to reimbursement of all costs, which were in excess of \$710 but not more than \$884, incurred by your board of education for the transportation of nonpublic school students. In addition, certain students who attend nonpublic schools located more than 20 miles from their homes are eligible for transportation services. Your school district is entitled to receive state transportation aid for these students.

The amount you will receive is based upon your October 15, 2012 District Report of Transported Resident Students and your certification of nonpublic school transportation costs. You can anticipate receiving:

Cost in excess of \$710:	\$188,978.04
Transportation aid, students over 20 miles:	\$ 753.59
District Total:	\$189,731.63

Payment will be made in early July. Reimbursement funds should be recorded as revenue and a receivable in the district's detailed general ledger of the 2012-13 fiscal year as "Other State Aid" in account 12-3190. Any portion of these funds not appropriated in 2012-13 may result in a one year only adjustment to the 2012-13 year end excess surplus calculation. Districts receiving Reimbursement of Nonpublic School Transportation Costs may increase their 2012-13 appropriations by the amount of this aid not appropriated in 2012-13 and are not required to obtain Commissioner approval pursuant to NJAC 6A:23-13.3(d).
